

INVESTITURE CEREMONY

Student Council, Association Heads and Class Representatives

“An army of sheep led by a lion can defeat an army of lions led by a sheep”

On 22nd June, 2016 St. Joseph's College of Commerce was abuzz to what would be a historic day in its rich varied history. Leaders, inspirers and motivators thronged the Loyola Hall with much enthusiasm and fervor to witness one of the grandest functions to kick start the academic year of 2016-17.

The investiture ceremony thus paved the way to what would be a promising academic year of 2016-17. A classical dance, a solemn prayer and the customary lighting of the lamp preceded the ceremony.

The gathering comprised of our beloved teachers, our much loved parents, friends and fellow class representatives. Right from the onset of the ceremony, the Student Council took to the fore by welcoming our Chief Guest Rev. Fr. Anthony Joseph, SJ (Rector, Vice President- Bangalore Jesuit Educational Society) who later, addressed the esteemed gathering on the topic “ Student leadership role in Nation building”. His message turned a few heads and the students were inspired by his rich experience and thoughts.

Fr. Anthony Joseph was accompanied by our very own Principal, Rev. Fr. Daniel Fernandes, SJ who later involved the audience with his words of encouragement and also threw light on the glory days gone by. Our Vice Principal Ms. Nirmala Joseph also added to the excitement with her lively presence on stage.

The Student Governor plays an important role in the cohesion of activities between the Council and various Association Heads. Ms.Rathi David addressed the leaders of tomorrow by encouraging each and every one of them to shine and to step up as the real nation builders of tomorrow.

Student Council elects from top institutions across Bangalore attended the ceremony and formally welcomed us in competitive spirit. The ceremony then concluded by the handing over of the badges to the deserving candidates. What followed was an atmosphere of joy, fun and frolic as everyone turned shutterbugs for what would be an enthusiastic academic year.
