A leadership camp was organized on 25<sup>th</sup> June, 2016 by the management for the student leaders of SJCC to imbibe a spirit of oneness and teamwork to ensure a strong bond that would last a lifetime. Activities which ensured that various class representatives interacted with each other was conducted as an atmosphere of fun and frolic enveloped the new auditorium. Skills pertaining to leadership were stressed upon at the workshop and many such elected leaders shone on the big stage by implementing their creative ideas and plans to the fore.

The camp also served as a means of interaction between the Student Council and other elected leaders which would serve as an effective means of coordination and communication throughout the academic year. Thus the camp served as a platform wherein student leaders could hone various leadership skills and attributes that they could equip themselves with in carrying out their duties.
