

SEMINARS – CONDENSED

MOXIE- Inspire, Grow, Create

Keeping in mind that every individual has the capacity to lead, inspire and set an example for others, this seminar focused on understanding the characteristics of a good leader, the tools for effective problem solving, decision making, leadership development and comprehending the importance of continuous learning.

The seminar consisted of three sessions. The first session conducted by Dr. Geetha Hegde, Dean of Research and International Affairs Business School and holder of distinguished positions in various professional bodies. The second technical session titled, ‘Leadership- Who, What, Why and How?’ was conducted by Mr. Veena Sethuraman, a learning and development specialist and a renowned Tedx speaker. The third and final session was a workshop on leadership and skill development, conducted by an ex-Josephites, Mr. Sushant Ruia and Mr. Zubair Pradhan. They enlightened the crowd about the types of leaders and leadership, using examples that the students could relate to. The seminar proved to be extremely informative for the students and gave the students a lot to ponder upon.
