ABOUT THE INSTITUTION

St. Joseph's College of Commerce (SJCC) was formerly a part of St. Joseph's College, established in 1882, and is managed by the Bangalore Jesuit Educational Society (BJES). The Commerce Department was established in the year 1949 and it became an independent college with its building on Brigade Road in the year 1972. The college has in its vision a model for higher education that encourages individuals to dream of a socially just world and in its mission, a strategy to empower individuals to realize that dream. To impart quality education in the field of Commerce and Management, the college has been innovating in all aspects of higher education over a long period. These innovations were further bolstered with the granting of autonomous status to the college by UGC in September 2005. From then on, the college has taken a lead in reforming curriculum and syllabus, examination and evaluation pattern, and teaching and learning methods through the Board of Studies, the Academic Council, and the Governing Council composed of eminent academicians, industry representatives, and notable alumni.

The college has undergone four cycles of NAAC accreditation, starting from the year 2000 in which it secured 'fivestars', next in the year 2007 an 'A' grade; in the year 2012, again an 'A' grade and recently in February 2021 an 'A++'. It is one of the very few institutions in the country to have secured an A++ grade in the fourth cycle under the Revised Accreditation Framework (RAF) and the first college in Karnataka to do so. The college was declared a College with Potential for Excellence in 2010. In 2011, SJCC was recognized as a Research Centre by Bangalore University. Currently the college is ranked 65th in the National Institutional Ranking Framework (NIRF) ratings of Ministry of Education, Government of India.
