

Teacher's Day Report

"If you can read this, then thank a teacher!"

The mediocre teacher tells
The good teacher explains
The superior teacher demonstrates
The great teacher inspires!

On September 3rd, 2016 SJCC decided to thank each one of those great teachers who have not only inspired a countless souls but also influenced innumerable leaders in pursuit towards success.

The SJCC Council put together a small program for both the teaching and non teaching faculty to express our love and gratitude towards their hard work in shaping our future. The Indian Music team and the Western Dance team welcomed the audience with their precision performance and evoked a vibe of celebration and joy. Games were also organized to involve participation which tested the teachers to their limits. The celebrations ended with our principal Rev Dr Daniel Fernandes SJ thanking the efforts of the Student Council and commending us on a show that had been executed brilliantly.
