

# GEMBA TALKS

## Title: SQAC WORKSHOPS

- **Context:** The interest of students are of primary interest of a Higher Educational Institution. Hence, fostering student's interest in the academia has today gained importance to maintain student's involvement in planning or developmental activities of a Higher Educational Institution. Taking into cognizance these factors and the importance of Quality Circle in Quality Management, the IQAC has established the Student Quality Circle on 8<sup>th</sup> June 2018.
- **Practice:** The SQC is formed comprising of students from every class of all programs-Under graduate and Post Graduate. The SQAC meets once in two months under the Banner "GEMBA TALKS" where specific topics of interest are discussed and the information's are permeated to all students in every class of each program.

This odd semester of 2018-2019 hosted the first GEMBA TALKS series "GEMBA TALKS- VOLUME "on 12th September 2018 with the fundamental discourse on Pedagogical Mandates of Higher Educational Institutions to reinforce the following topics. The key resource persons were the internal staff members.

Topic	Resource Person
Understanding the CBCS system	Ms. Muktha
The Intricacies of Credit System -How to Earn Extra Credits	Ms. Sneha Rai
Ice Breaking the Outcome Based Education System(OBE)-A Student's Perspective	Dr Himachalopathy
Wrap up and Course Feedback	Ms. Shivakami Rajan

- **The objective:** Information dissemination and encouraging students to have clarity and clear understanding of the academic program structure, electives, and mandatory credit requirements. With Outcome Based Education in the offing, SQAC students were oriented with OBE system to prepare them for this system which is proposed by the Institution to be implemented in the forthcoming academic year.
- **Evidence of Success:** The GEMBA WORKSHOP generated a heightened interest among the students. Curious first years students were enlightened about the mandatory credits and information of extra credit earnings gave them more clarity on the same.

Some of the indicators of success are:

- Active participation and interest in Talks
- Activation of interest to find out about the assessments methods

- Enhanced interest in Outcome Based Education system were expressed by the students
- Greater participation of students in IQAC.
- Information dissemination and encouraging students to participate in various student activities.
- Feedback on courses were completed.
