

B.COM (PROFESSIONAL STUDIES)- MORNING BATCH

ABOUT THE COURSE

In addition to what the regular B.Com course has to offer, there is an option for students to choose the B.Com morning batch whose timings are tailored to suit the needs of a budding professional. This gives the students the opportunity to complete their UG course but also pursue further education in areas of professional expertise and higher level education programs outside the college such as Chartered Accountancy, CIMA, CS, and CMA. This allows the student to fully develop their professional career while also attaining the B.Com degree upon completion to enhance their employability as well their careers as a whole. The college also allows appropriate support with regard to preparation for exams, Training, orientation, Article ship and so on if the student chooses this option.

OBJECTIVES OF THE COURSE

- To provide a good foundation to students who plan to pursue professional courses like CA, ICWAI, CFA, ACS and MBA.
- To facilitate students with skills and abilities to become competent and competitive to be assured of good careers.
- To develop entrepreneurship and managerial skills in students so as to enable them to establish and manage their business establishments effectively.
- To develop ethical business professionals with a broad understanding of business from an interdisciplinary perspective.

HIGHLIGHTS

- Students of this program will, in the fifth and sixth semesters, be given a choice of over 6 electives including subjects like Accounting and Banking and Insurance- each of which will have an entire skill based paper integrated into the theoretical content that is offered.
- Student seminars, workshops and conferences are organized through the even and odd semesters, with guest speakers who have experience in the contemporary business ecosystem.
- They will be trained in Tally, Excel and Advanced Excel to be on par with industry standards locally and in the global arena.
- Students connect meaningfully with the working world through regular field trips. These visits provide students a thorough understanding of business skills and cultural education to make a mark in the industry.
- In addition, students are encouraged to join the college clubs and take up credit certifications that range from IFRS to theatre and languages to help inculcate essential soft skills and interdisciplinary exposure.

At SJCC, aside from academic aspirations, holistic development of a student is its highest goal. And in order to achieve this, multiple social activities are conducted over the three year course, to develop a sense of community.
