

# POTLUCK 2017 - 2018

In view of the intra-collegiate cultural fest Kalotsav that was taking place in a few days, and the various cultural and diverse backgrounds students come from, a potluck was organised for all the classes on 11th July, 2017 from 1pm to 2pm on the basketball court.

The initiative saw various classes bring dishes like Biryani, Bhel Puri and lassi to portray the cultures they come from. This platform brought together the students over a common love for food.

After an extremely positive response from the students, it has been decided that the council shall conduct a potluck once every two months for the students of all classes in order strengthen the Institution's unity.
