B. Com (Professional - International Accounting and Finance) - CBCS

About the Programme:

The B. Com (Professional-International Accounting and Finance) course of St. Joseph's College of Commerce has been designed in collaboration with the **Association of Certified Chartered Accountants (ACCA)**, UK, to provide students with the unique opportunity to pursue their ACCA qualification in tandem with their under graduation. ACCA (Association of Chartered Certified Accountants) is a global professional accounting body offering the Chartered Certified Accountant qualification, effective in over 178 countries. The curriculum framework and content of this course will facilitate students to conveniently pursue a career in International Finance and Accountancy.

OBJECTIVES

- To develop professional knowledge and skills in international Accounting, Finance, Auditing, Taxation, Risk Management etc. by adopting learner centred pedagogical practices.
- To equip students with the necessary tutoring required as per ACCA standards to enable them to effectively pursue the professional qualification.
- To inculcate a strong sense of ethics and corporate values, especially with regard to the accountability, transparency, and responsibility of a professional in the business world.
- To provide students with the opportunity to play diverse financial roles at senior or advisory levels in any organization.
- Mandatory outreach programs and social visits are conducted by the college in order to instill a sense of community and social awareness in the students. To complete the process of holistic education, industrial visits are organized by the college so as to expose the students to real-life, hands-on experiences of various industries.
