AICUF 2020-2021

ANNUAL REPORT

WORLD HUMANITARIAN DAY

World Humanitarian Day was celebrated in SJCC by the AICUF association on the 18th and 19th of August 2020 with a theme of celebrating our unsung heroes where our focus was on recognising all those who have made our lives better this pandemic season.

We had 5 events conducted over 2 days which was looked over by our core committee members.

We gave the students an opportunity to recognise their heroes during this crisis through the event of voice out where they were supposed to take a picture with someone who had made their lives easier this pandemic and write a few words about them. The response we got for this event was overwhelming and it sure brought tears to some of them. As an association we were so happy to have brought about this initiative to recognise the small acts done by people and to appreciate it.

This event being the first one from the association was well received by the students with over 300 registrations for all the events combined. Valuable feedback and review were provided to the students by the respective event judges too.

INTERNATIONAL DAY FOR ERADICATION OF POVERTY

International day for eradication of Poverty was observed in SJCC through a medium of various competitions for the students organized by the AICUF association on the 16th and 17th of October 2020. The association had organized a total of 6 events with a common theme 'Love only grows by sharing'.

The highlight of this event was the debate and pick and speak competitions where the students were able to gather a lot of information and insight as to where the world was heading with all the issues regarding poverty. The students were also able to think and come up with a vast amount of ideas on how to eradicate poverty to an extent.

Despite this being another online event due to the pandemic it got a fair number of participants who were eager to address issues regarding poverty and how to tackle them. The association was happy to spread such awareness where we need individuals to step up and start addressing these issues.

FESTS ATTENDED

The AICUF association of SJCC participated in a state level online fest YUVA 2020 conducted by AICUF Karnataka for which colleges from all over the state took part. The participants from SJCC were able to secure the top 3 places in almost all the events and the college was crowned the overall winners of the fest.

AICUF also took part in EXALTED 2020, an online gospel fest hosted by the Bishop Cotton Women's Christian College. The participants were very eager to participate for their first inter college fest and were able to win a lot of events. SJCC was declared overall winners of this fest too.
