Old Students' Association: Alumni Engagement

The Alumni Association is an integral part of St. Joseph's College of Commerce. The Old Students' Association of St. Joseph's College Commerce meticulously plan and conduct several activities under the aegis of Ms. Kavita Muthappa (OSA President) to benefit the student community and to maintain a vibrant relationship with the alumni. The OSA has contributed extensively to the all-around advancement of the institution. Some of the methods of their active involvement with the college are Curriculum Development, Recognition and Rewards, Alumni Reunions, Alumni Activities, Industrial Visits, Expert Talks, Placement Drives, and Co-curricular Activities.

The alumni members are in toto with the institution's Board of Studies (BOS), Academic Council, and Governing body, giving valuable suggestions on quality enhancement, curriculum, teaching-learning practices, and placements. The association launched the MicroLabs skill-development programme for Tally, GST, and Communication for campus placement interviews. The OSA financially supports students by granting scholarships to deserving ones. This year, scholarships were provided to 150 students.

SPORTING EVENTS FOR ALUMNI

We have successfully conducted the Inter Batch Football, Hockey and Basketball tournaments and will be conducting the Inter Batch Cricket Tournament. We are also open to the idea of conducting an Inter Batch Indoor Games like Chess, Table Tennis and Carom etc. provided we are assured of participation. Golf is also being explored. We request Alumni who play Golf to kindly give your names to the Secretary so that when we organize a tournament we will have a data bank.

BIKERS GROUP

We successfully organized an event with the "Serenata Chorale" choir of the college and were in the process of organizing an event with the Theatre group of the college but due to lack of sponsorship and response we could not conduct the event. We hope in the future we will be able to take it the next level. We have tied up with the Catholic Club to organize the OSA Gala in the month of December and the OSA Bash. The financial position is growing from strength to strength during the year we collected a sum of 27.00 lakhs towards the Golden Jubilee Fund, a net of 2.90 lakhs towards the Staff Welfare Fund and 1.3 lakhs towards Scholarship Funds. The Investments increased by 35.4 lakhs to 204 lakhs despite being a difficult year for everyone. The sum of 8.54 lakhs towards Life Membership is for two years. The newly launched drive for Patron Membership yielded 0.85 lakhs

During the year we paid out 13.35 lakhs as scholarships to 120 students. Like last year we asked for applications for scholarships, we interviewed the student along with their parents and then allotted the scholarships to needy students. Allotment was done irrespective of caste, creed or religion. We received 170 applications we shortlisted 166 applications 140 came for the interview and allotted 120 scholarships. The short list were from families earning less than Rs.10,000/- per month. The people we met were drivers, maids, tailors most of whom were non-catholic. We paid out roughly 10,000 per student and we hope that in the future we will be able to increase this amount.

Like last year we did a training programme online for 50 less fortunate students in the final year to equip them to get a job after their graduation. The cost of the course worked out to Rs.1,50,000/- The students found this course very useful. We have placed 99% of the students who attended this course.
