**Student Support**

Student support is one of the significant aspects of holistic learning practices followed at SJCC. The institution, through its diversified curricular programmes and cocurricular activities, the institution aims to offer a wide variety of platforms to help students identify their passion and encourage their intellectual curiosity. In order to realize this vision, the institution has designed an effective student support framework. The institution has established mentorship programmes, workshops, pre-placement support and guidance aid amongst many others to meet the changing demands of holistic education pedagogy.

The institution also offers an inclusive learning environment for students irrespective of their social and religious backgrounds, especially to those who come from marginalized backgrounds. The college extends financial aid to deserving candidates through scholarships and freeships. Students with disabilities are also given additional support in terms of their movement on campus and during examination. The Remedial Class Committee identifies slow learners through Bridge Course Test and conducts individual tutoring sessions and

remedial classes. The Counselling Centre arranges confidential counselling sessions for students to ensure their emotional well-being. Thus, the student support initiatives of the institution have been instrumental in enhancing the overall learning experience of the student community. Above all, the multidimensional training offered at SJCC prepares students for efficiently dealing with diverse real-life challenges.

**Orientation Programmes**

The orientation programmes for the first year Undergraduate and Postgraduate students were held from 19th to 30 July 2021. Along with the general orientation programme, specific orientation programmes were also conducted.
