

MAVERICKS: BUSINESS CLUB

Mavericks is the PG department's business club. The club ensures that through conduct various interesting activities, they create awareness and educate students on the happenings of business which would help them be better prepared to succeed in this ever-growing competitive world.

Date: 15.08.2021

Event name: Ice breakers

Starting the team activity with the patriotic sprit to showcase their talent with of their whole class in a creative way.

The idea behind this event was for the PG Department having 6 classes to bear the same colour among their specialisation and hence 2 classes will be having 1 colour of our Indian flag.

In the pandemic as everything is online it's the moment for us to show that distance doesn't matter for the joy of unity and celebrating it as one nation one vision. Bringing everyone in the class together on the online mode showcasing their talents in a group as one class, one department and one Joseph's.

There were participants from 4 classes (**2Mcom , 1Mcom, 1Mcom IB, 1Mcom FA**) for this event where all the first year class took up this event sincerely where their efforts were seen in bringing most of their classmates together in a single shot of video. All the 4 classes submitted their videos through the email and the judges finalised the results.

Results:

1st Place- 2Mcom

2nd Place- 1Mcom FA

3rd Place- 1Mcom IB

Mavericks sessions – PG associations

As unique as it could get, it is a practice of this department to allow the seniors interact and involve with the happenings of the department across the first years. On that note, Mavericks conducts two hours of classes each week for the first year students of M.com to engage them with fun activities along the lines of business and commerce.

Very first of such classes were handled by Elucidation, the Editorial of PG Department. The sessions on four days were spread across two weeks and they were planned to cover all the essential information about college and the department as it was the first class for this academic year.

13.09.21 & 14.09.21

Mavericks club from PG department of SJCC conducted different rounds of debate, with 8 teams from each class i.e., M. Com FA and M.com IB, and 7 from M.com

Students were Given a type of industry for example, considering audio devices as an industry one group from each classes will choose one company from that industry (BOAT, SONY, MI) . The conduct of the game was smooth as each team was given their topics one week prior to their presentation which allowed the students to prepare consciously and it was ensured that no two teams had same company. With the condition that each team had a maximum of 7 minutes to make their stance, the participants were then moved to try and convince a panel of judges as to why their company is better than the other competitors or rivals among them. Judges played the role of Employee of that particular Company, Shareholders of that company, Government & consumer. The team which gets the best approval ratings was declared the winner. After the 3 teams had presented all the teams were given 5 minutes in total for their concluding statements and Q&A from judges.

Panel of Judges:

Sonali From. Com FA

Divith, Reena R&Moin Khan from M. Com

Pran and Akhil from M. Com IB

Results were as follows for this event: *Round 1*

M.com team 14/5

M.com IB team 13/5

M.com FA team 15/5

Round 2

M.com team 24/5

M.com IB team 25/5

M.com FA team 23/5
