#163, Brigade Road, Bengaluru -560025, Karnataka, India

Department of Professional Programmes BBA (Professional - Finance and Accountancy)

ADMISSIONS 2024- 2025

About the Institution

St. Joseph's College of Commerce, formerly a part of St. Joseph's College was established in the year 1882 as an educational initiative by the French foreign mission Fathers. In 1937, the management of the college was handed over to the Jesuits, a worldwide Catholic religious order with a special focus on education. Loyola College, Chennai, St. Xavier's College Calcutta and St. Xavier's College Mumbai are the other premier institutions in India run by the Jesuit Order. The Department of Commerce was established in the parent college in 1949. In 1972, this department became an independent college under the name St. Joseph's College of Commerce. It is recognized under Section 2(f) and 12B of the UGC Act. It became an autonomous institution in October 2004. St. Joseph's College of Commerce was recognized as a "College with Potential for Excellence" in February 2010 by UGC. Currently it enjoys an A++ grade with the National Assessment and Accreditation Council (NAAC).

College Motto, Vision and Mission

CHARACTER FORMATION

Motto

“Fide et Labore,” meaning “Faith and Toil.” Faith is the commitment to God and fellow beings while Toil represents hard work.

Vision

To create a just, secular and democratic society specially in the service of the poor, the oppressed and the marginalized.

SOCIAL CONCERN

Mission

“St. Joseph’s College of Commerce seeks to be a place where academic excellence goes with the cultivation of virtue, and where a community is formed which sustains men and women in their education and their conviction that life is only lived well when it is lived generously in the service of others”.

About the Department

The Professional programmes at SJCC are integrated undergraduate programmes designed to give students focused learning in specific fields such as Analytics, Cost and Management Accounting, Auditing, Taxation, Strategic Finance besides the regular courses in commerce. The curricula of these programmes are accredited by international professional bodies such as the Association of Chartered Certified Accountants (ACCA), UK, Chartered Institute of Management Accountants (CIMA) UK, Institute of Analytics, UK and Institute of Management Accountants (US).

Programmes Offered

B. Com (Professional - International Accounting and Finance) – Integrated with Association of Chartered Certified Accountants (ACCA), UK

B. Com (Analytics) – Integrated with Institute of Analytics (IoA), UK

B. Com (Professional – Strategic Finance) – Integrated with Institute of Management Accountants, USA

BBA (Professional – Finance & Accountancy) - Integrated with Chartered Institute of Management Accountants (CIMA). UK

About the Programme

BBA (Professional-Finance and Accountancy) programme is designed in collaboration with the Chartered Institute of Management Accountants (CIMA). CIMA is the world's leading and largest professional body of management accountants. BBA (Professional – Finance and Accountancy) is integrated with CGMA Finance Leadership Program which is a digital-first learning program and is similar in scope plus rigor to a master's degree. The programme is designed in such a manner that the student can emerge as a Qualified Chartered Global Management Accountant by successfully completing their CIMA case study exams along with their graduation.

BBA (CIMA integrated) programme offers a THIRTEEN paper exemption from the regular CIMA papers and also gives an opportunity to students to gain qualifications like, CIMA Diploma in Management Accounting and Advanced CIMA Diploma in Management Accounting.

Programme Objectives

- To develop subject-specific knowledge in the application of technical language and practices in the specialised field of Accounting and Finance along with core management courses.
- To engage learners with the contemporary theories and empirical evidence concerning the operation from given data generated for the purpose.
- To build technical competencies relating to the financial sector through real-world case studies, innovative and relatable class room pedagogy and evaluation.
- To Provide the context and experience to develop generic skills to meet professional challenges through leadership, communication, teamwork and other skills thereby fostering overall proficiency.

Key features of the Programme

Updated syllabus by a competent and experienced Board of Studies members

Industry experts and trained faculties with international exposure

B. B.A Curriculum embedded with CIMA subjects
