About the Institution

St Joseph's College of Commerce (SJCC) formerly a part of St. Joseph's College, established in the year 1882, is managed by the Bangalore Jesuit Educational Society (BJES). The Commerce Department was established in the year 1949 and it became an independent college with its own building in Brigade Road in the year 1972.

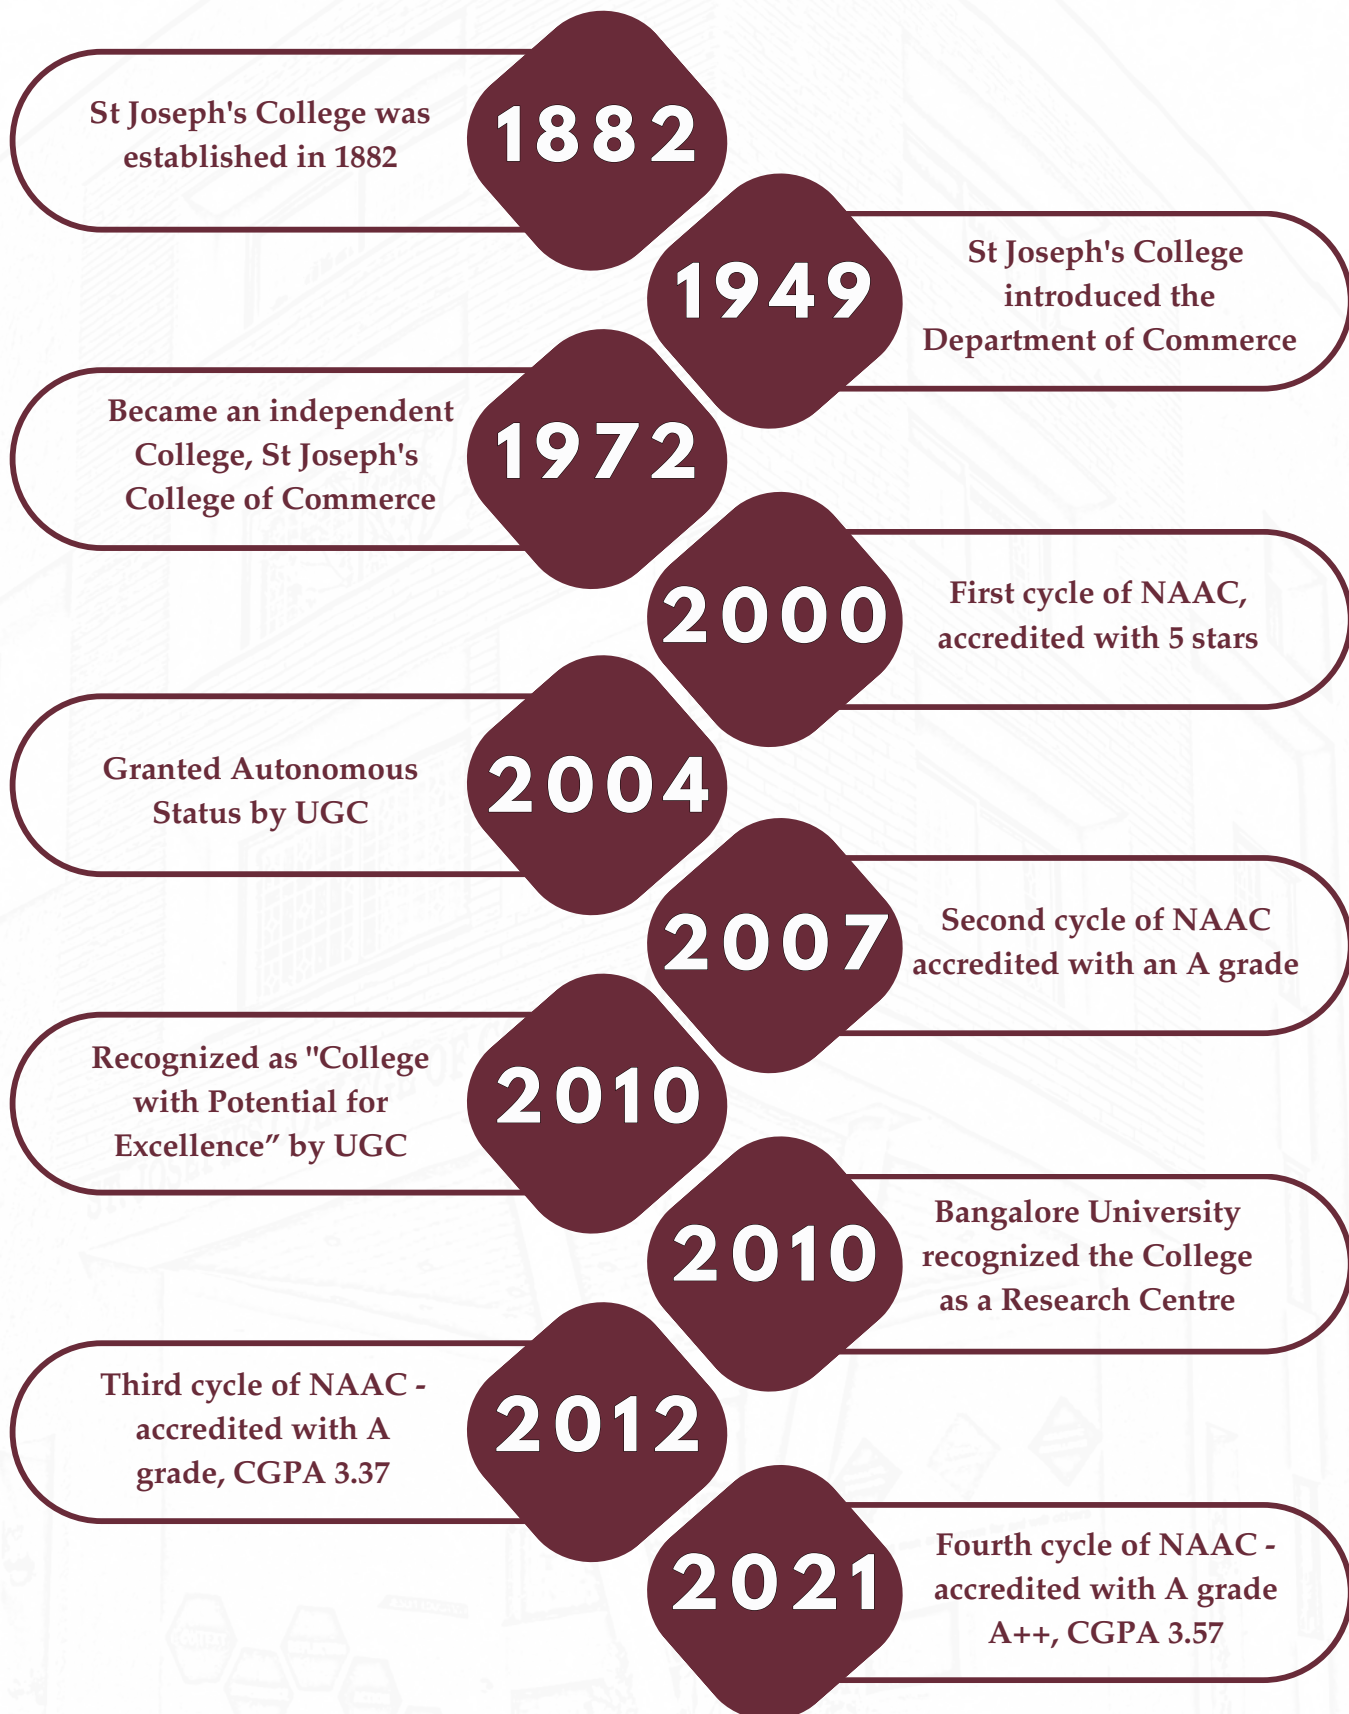

The college has in its Vision a model for higher education which encourages individuals to dream of a socially just world and in its Mission a strategy to empower individuals in realizing that dream. With an objective of imparting quality education in the field of Commerce and Management, the college has been innovating in all aspects of higher education over a long period of time. These innovations were further bolstered with the granting of autonomous status to the college by UGC in September 2005. From then on, the college has taken a lead in reforming curriculum and syllabus, examination and evaluation pattern, and teaching and learning methods through the Board of Studies, the Academic Council and the Governing Council composed of eminent academicians, industry representatives and notable alumni.

The college has undergone four cycles of NAAC accreditation starting from the year 2000 in which it secured 'five stars', next in the year 2007 an 'A' grade, in the year 2012 again an 'A' grade and recently in February 2021 an 'A++'. It is one of the very few institutions in the country to have secured A++ grade in the fourth cycle under the Revised Accreditation Framework (RAF) and the first college in Karnataka to do so. The college was declared as a 'College with Potential for Excellence' in the year 2010. In 2011, SJCC was recognized as a Research Centre by Bangalore University. The college has consistently been ranked among the top 100 colleges in the country by the National Institutional Ranking Framework (NIRF), Ministry of Education, Government of India, since its inception in 2017.

The college offers diverse programmes in Commerce and Business Administration faculties. Under the faculty of Commerce, it offers B. Com (Regular), B. Com (Professional - International Accounting and Finance), B. Com (BPM - Industry Integrated), B. Com (Analytics), B. Com (Professional - Strategic Finance), B. Com (Accounting and Taxation), M. Com (Finance & Taxation/ Marketing & Analytics), M. Com (International Business) & M. Com (Financial Analytics). Under Business Administration, it offers BBA (Regular), BBA (Entrepreneurship) and BBA (Professional - Finance and Accountancy), BA (English, Psychology & Communicative English) and B.Sc (Economics, Data Analytics and Mathematics) were the two new programmes introduced in the academic year 2022-23. The college also offers five one-year Post Graduate Diploma programmes.
