Syllabus as per Karnataka State Education

Policy 2024

Curriculum Framework w.e.f., 2024-2025

Academic Year 2025 – 2026

Batch 2025-2028

St. Joseph's College of Commerce (Autonomous)

## Affiliated to Bengaluru City University

St. Joseph's College of Commerce (SJCC) was formerly a part of St. Joseph's College, established in the year 1882. The Commerce Department was established in the year 1949 and it became an independent college with its own building in Brigade Road in the year 1972.

The college has in its Vision a model for higher education which encourages individuals to dream of a socially just world and in its Mission a strategy to empower individuals in realizing that dream.

With an objective of imparting quality education in the field of Commerce and Management, the college has been innovating in all aspects of higher education over a long period of time. These innovations were further bolstered with the granting of autonomous status to the college by UGC in September 2005. From then on, the college has taken a lead in reforming curriculum and syllabus, examination and evaluation pattern and teaching and learning methods through the Board of Studies, the Academic Council and the Governing Council comprising of eminent academicians, industry representatives and notable alumni.

The college has undergone four cycles of NAAC accreditation starting from the year 2000 in which it secured 'five stars', next in the year 2007 an 'A' grade, in the year 2012 again an 'A' grade and recently in February 2021 an 'A++'. It is one of the very few institutions in the country to have secured A++ grade in the fourth cycle under the Revised Accreditation Framework (RAF) and the first college in Karnataka to do so. The college was declared as a 'College with Potential for Excellence' in the year 2010. In 2011, SJCC was recognized as a Research Centre by Bangalore University. The college has been ranked 55th in the National Institutional Ranking Framework (NIRF) ratings of Ministry of Education, Government of India, in 2024 and it has been the only institution from Karnataka to make it consistently to the top 100 in the country.

The college offers diverse programmes in Commerce, Business Administration Arts and Science. Under Commerce Studies it offers B. Com, B. Com (Professional-International Accounting and Finance), B.Com (BPM- Industry Integrated), B.Com (Travel and Tourism), B.Com (Analytics), B.Com (Professional - Strategic Finance), M.Com (Finance & Taxation/ Marketing & Analytics), M.Com (International Business) & M.Com (Financial Analysis). Under Business Administration it offers (Entrepreneurship) BBA, BBA and BBA (Professional-Finance and Accountancy). Under Arts it offers BA (English, Communicative English and Psychology) and Under Science it offers B.Sc (Economics, Mathematics and Data Analytics). The college also offers five one-year Post Graduate Diploma programmes.

#### About the Department

The B. Com Department of St. Joseph's College of Commerce has efficiently streamlined all its programmes to reflect an interdisciplinary approach to understanding the contemporary business environment. The Department aims to construct a strong foundation in core subjects such as Accounting, Taxation, Economics, Statistics and Auditing along with a choice of Cost Accounting, Finance, Business Analytics, Marketing and Human Resources, studied in the fifth and sixth semester. The courses are challenging, yet, rewarding for students with high aspirations. Our students have been sought after by employers for their excellent knowledge and skills, giving them an edge over their peers from other institutions.

## **Objectives of the Programme**

- 1. To provide conceptual knowledge and application skills in the domain of Commerce studies.
- 2. To provide knowledge in all the areas of business to be able to meet expectations of Commerce, Trade and Industry.
- 3. To sharpen the students' analytical and decision-making skills.
- 4. To provide a good foundation to students who plan to pursue professional programmes like CA, ICWAI, ACS, CFA and MBA.
- 5. To facilitate students to acquire skills and abilities to become competent and competitive in order to be assured of good careers and job placements.
- 6. To develop entrepreneurship abilities and managerial skills in students so as to enable them to establish and manage their own business establishments effectively.
- 7. To develop ethical business professionals with a broad understanding of business from an interdisciplinary perspective.

## I. Eligibility for Admission

Candidates who have completed the two-year Pre-University course of Karnataka State or its equivalent are eligible for admission into this Programme.

## **II.** Duration of the Programme

The duration of the programme is three (03) years of Six Semesters. A candidate shall complete his/her degree within five (05) academic years from the date of his/her admission to the first semester. Students successfully completing three (03) years of the course will be awarded Bachelor's Degree in Commerce (REGULAR) – B.COM- Regular.

## III. MEDIUM OF INSTRUCTION

The medium of instruction shall be in English.

#### IV. ATTENDANCE

- A student shall be considered to have satisfied the requirement of attendance for the semester, if he/she has attended not less than 75% in aggregate of the number of working periods in each of the courses, compulsorily.
- A student who fails to complete the course in the manner stated above shall not be permitted to take the End Semester Examination.

## v. TEACHING AND EVALUATION

M.Com/MBA/MFA/MBS/MTA graduates with B.Com, B.B.A & B.B.S as basic degree from a recognized university are only eligible to teach and to evaluate the courses including part – B courses of I and II semesters except languages, compulsory additional courses and core Information Technology related courses, Skill based, Value Based and Foundation courses, mentioned in this regulation. These courses shall be taught by the graduates as recognized by the respective Board of Studies.

## VI. SCHEME OF EXAMINATION

#### ACADEMIC EVALUATION UNDER STATE EDUCATION POLICY (SEP) (EFFECTIVE FROM ACADEMIC YEAR 2024-2025)

The academic evaluation of both undergraduate (UG) and postgraduate (PG) programmes consists of two components: Continuous Internal Assessment (Formative Assessment) and End-Semester Examination (Summative Assessment). Assessment for UG Students under SEP will be as follows:

Type of Assessment	Assessment Component	Allotted Marks
Continuous Internal	CIA I (Test)	10 Marks
Assessment / Formative	CIA II (Skill-based Assessment)	10 Marks
10505511011	Mid-Term Exam	20 Marks
Total	40 marks (scaled down to	20 marks)
End-Semester Examination / Summative Assessment	End-Semester Examination (For three hours duration)	80 Marks
TOTAL		100 Marks

## A. Additional Details

• Mid-Term Exam: The mid-term exam covers at least 40-50% of the syllabus

and has duration of one hour.

• **Continuous Internal Assessment (CIA) Activities**: CIA activities are designed with clear objectives, modalities, assessment rubrics, and outcomes.

## B. CIA improvement

There is **no provision for enhancing CIA marks** for UG students once the semester ends.

#### Attendance requirement for taking ESE

- The University Grants Commission (UGC) mandates a minimum of 75% attendance in each course to be eligible to write the End Semester Examinations (ESE).
- There is no provision for condonation of attendance under the UGC Act.

## VII. Minimum for a pass

- Minimum Pass Marks in Final Examination: A minimum of 40 percent is required in each course in the End Semester Exams. The student must score at least 32 marks out of 80 in the End Semester Examination (ESE).
- **Overall Pass Requirement**: The aggregate of Continuous Internal Assessment (CIA) and End Semester Examination (ESE) should also be a minimum of 40 percent. Out of 100 marks, a student must secure at least 40 marks in each course to qualify as passed inclusive of minimum 32 marks out of 80 in End Semester Exam.

## VIII. Grading System for Choice Based Credit System (CBCS)

The modalities and operational details are given below:

• **Grade Points**: The College adopts a ten-point grading system. The papers are marked in a conventional way for 100 marks. The marks obtained are converted to grade point according to the following table. If a student is absent for the paper the grade point assigned is 0.

%	95 - 100	90 -	85 -	80 -	75 -	70 -	65 -	60 -	55 -	50 -	45 -	40 -	Below
Marks		94	89	84	79	74	69	64	59	54	49	44	40
Grade	10	9.5	9	8.5	8	7.5	7	6.5	6	5.5	5	4.5	0
Point													

**Credits**: Credits are assigned to courses based on the following broad classification:

Courses Category	Instruction Hours/week	Credits
Languages	3 Hours	3

Major Core	4 Hours	4
Skill Enhancement Courses	1-4 Hours	1-4
Compulsory Courses	1-2 Hours	1-2

#### Grade point calculation

• Semester Grade Point Average (SGPA): The SGPA is calculated as the sum of the product of the credits and the grade points scored in all courses, divided by the total credits.

## SGPA = Total of (Credits Earned X Grade Points) ÷ Total of Corresponding Credits

- Minimum SGPA required for a pass is 4.5.
- If a student has not passed in all courses or is absent, the SGPA is not assigned.
- Cumulative Grade Point Average (CGPA): The CGPA is the weighted average of all the courses taken by a student across all semesters of a programme.

## CGPA = ∑Total Credits in the Semester × SGPA ÷ Total Credits of the Courses

Note: SGPA and CGPA will be rounded off to two decimal places.

#### Interpretation of SGPA/CGPA and Classification of Final Result

Grade Points	% of Marks	Grade	Result/Class Description
9.00-10.00	85 - 100	0	Outstanding
8.00-8.99	75 - 85	A+	First Class Exemplary
7.00-7.99	65 - 75	А	First Class Distinction
6.00-6.99	55 – 65	B+	First Class
5.50-5.99	50 -55	В	High Second Class
5.00-5.49	45 - 50	С	Second Class
4.50 -4.99	40 - 45	Р	Pass Class
Below 4.5	Below 40	RA	To Re-Appear

## IX. PATTERN OF ESE QUESTION PAPER UNDER SEP

The End Semester Examination (ESE) question paper under SEP will include questions that assess both Lower Order Thinking Skills (LOTS) and Higher Order Thinking Skills (HOTS). The difficulty level of the question paper will be distributed as follows: 40% easy, 30% difficult, and 30% very challenging.

- **Duration**: 3 Hours
- Maximum Marks: 80

The question paper pattern will be as follows:

Sections	Marks per Question	Number of Questions	Total Marks
Section A	2 marks	5 questions (out of 7)	10 Marks
Section B	5 marks	4 questions (out of 6)	20 Marks
Section C	12 marks	3 questions (out of 5)	36 Marks
Section D	14 marks	1 question (Case Study)	14 Marks
Total			80 Marks

## X. REVALUATION AND RETOTALING

Requests for **revaluation**, **retotaling**, and **photocopies of the answer book** for the End-Semester Examination (ESE) must be submitted to the Controller of Examination along with the prescribed fee within two weeks from the declaration of results.

## XI. Absence during End Semester Examination

If a student misses the End Semester Examination, they will be marked as "Absent" and will be required to take the supplementary examination for that course during the next available opportunity only.

## XII. Malpractice

Students will be dealt severally in case if they are found guilty of any malpractices during examination. The college has zero tolerance towards any kind of <del>foul</del> means adopted to secure marks in the exams.

# OUTCOME BASED EDUCATION (OBE)

After the completion of the **B. Com (Regular)** Programme, the student will be able to:

## PROGRAM EDUCATIONAL OBJECTIVES (PEOS)

Our B.Com (Regular) program will produce graduates who will:

**PEO1:** Be competent, creative and highly valued professionals in industry, academia, or government.

**PEO2:** Adapt to a rapidly changing environment with newly learnt and applied skills and competencies, become socially responsible and value driven citizens, committed to sustainable development.

**PEO3:** Act with conscience of global, ethical, societal, ecological and commercial awareness with sustainable values as is expected of professionals contributing to the country.

**PEO4:** Able to continue their professional development by obtaining advanced degrees in accounting and other professional fields.

## PROGRAMME OUTCOMES (PO'S)

#### PO1: Disciplinary and Inter - disciplinary Knowledge

**Demonstrate** the **understanding** of relevant business, management and organization knowledge, both academic and professional, in line with industry standards.

#### PO2: Decision making Skill

**Apply** underlying concepts, principles, and techniques of analysis, both within and outside the discipline to generate all the possible solutions and picks one that shows their understanding of the problem and the outcomes.

## PO3: Integrated problem-solving and Research

**Analyze** how parts of a whole interact with each other to produce overall outcomes in complex systems by analyzing key managerial issues in a particular industry or company and propose appropriate managerial solutions to the situation

#### PO4 Critical thinking Skill

**Evaluate** evidence, arguments, claims and beliefs by using right type of reasoning as appropriate to the situation and Analyze how parts of a whole interact with each other to produce overall outcomes in complex systems

#### PO5 Creative thinking Skill

**Develop,** implements and communicates new and worthwhile ideas using both incremental and radical concepts to make a real and useful contribution to their work

PO6: Usage of Modern Technology and Tools

**Use** tools and technologies of digital nature, communication/networking tools and social networks appropriately to access, manage, integrate, evaluate and create information to successfully function in a knowledge economy

## PO7 Leadership and team work

**Develop** a vision, translate that vision into shared goals, and effectively work with others to achieve these goals.

## PO8 Ethical Conduct & Sustainability Practices

Act responsibly and sustainably at local, national, and global levels

## PO9 Collaboration & Networking Skill

Work collaboratively and respectfully as members and leaders of diverse teams

## PO10 Self-directed and Life – Long learning

**Create** goals and monitor progress toward them by developing an awareness of the personal, environmental and task-specific factors that affect attainment of the goals.

## Programme Specific Outcomes (PSO's)

## **PSO11** Integrative Experience and Experiential Learning

Develop significant and experimental components that focus on the critical assessment of specific phenomena in the sphere of Commerce.

## **PSO12** Global Perspectives in Multicultural Environment

Create an environment to facilitate effective communication and team work with people of different nationalities and cultures, demonstrating respect for social, cultural and linguistic diversity.

	201	ACCOUNTING				
Course	The course	The course is designed keeping in view the awareness level requirement of				
<b>Objectives:</b>	students wi	th regard to Corpora	te Account	ing concept	s and technique	es.

Course	After completion of the course, the students will be able to:	Т	K
Outcomes:		Levels	Levels:
CO1	Construct the financial statements of company as per the	T5	K3
	frame work of Ind AS.		
CO2	Devise a plan for Redemption of Preference shares	T5	К3
CO3	Reconstruct the capital structure of financial statement of	T5	K3
	Joint stock company ltd. after making necessary in connection		
	with internal reconstruction.		
CO4	Construct the Balance sheet after making necessary in	T5	K3
	connection with Amalgamation.		
CO5	Construct the Balance sheet after making necessary in	T5	K3
	connection with Absorption and external re construction.		
CO6	Construct the financial statements of company as per the	T5	K3
	frame work of Ind AS.		
Module 1	Preparation and Presentation of Financial Statements	20 Hour	s

Preparation and Presentation of Financial Statements as per Ind AS Schedule III (Excluding Consolidated Financial Statement) Overall Comprehensive Income, Changes in Equity, Cash Flow, Profit & Loss Statement, Balance Sheet.

Treatment of Special Items – Depreciation calculated as per Schedule II, Interest on Debentures, Provision for Tax, Dividends-Interim dividend, final dividend, Unclaimed Dividend, Corporate Dividend Tax. OECD – Principles of Corporate Governance – Six principles (concept only) - GRI - Sustainability reporting in preparation and presentation of financial statements.

Module 2	Redemption of preference shares	10 Hours
----------	---------------------------------	----------

Meaning, Legal provisions as per section 55 of Companies Act 2013, Treatment of Premium received on issue of shares Section 52, Creation of Capital Redemption Reserve, Fresh issue shares, Arranging for cash balance for the purpose of redemption (Use of Equation for finding out minimum or sufficient number of shares to be issued to the public at the time of redemption of preference shares) Minimum number of shares to be issued for redemption, Issue of Bonus shares by using CRR account ,Basics of Buy Back of Shares.

Module 3	Internal Reconstruction or Capital Reduction	10 Hours			
Meaning, Objective, Procedure, Form of Reduction, Reorganization through surrender of Shares, Subdivision and consolidation of shares, Materialization of Contingent Liability, Accounting arrangements, Journal entries, Balance Sheet after Reconstruction.					
Module 4Amalgamation10 Hours					
Meaning of Amalgamation, Types of Amalgamation, Merger and Purchase, Calculation of Purchase					
	counting entries in the books of Selling or Vendor Company, I	0			

Consideration, Accounting entries in the books of Selling or Vendor Company, Ledger accounts in the books of Selling Company, Journal entries in the books of buying company and Preparation of Opening Balance sheet of the Amalgamated Company, Calculation of Goodwill, or Capital Reserve. Treatment of Intercompany debts, Intercompany Owings, Unrealized Profits, Discharge of Debentures, Discharge of debenture holders to get same amount of interest in spite of change in rate of interest, Issue of new shares to raise additional capital.

Module 5Absorption6 HoursAbsorption According to Ind AS 103 & 110. Forms of Purchase consideration - Deferred and<br/>Contingent consideration. Accounting Entries in the Books of Selling or Vendor Company, Ledger<br/>accounts in the books of Selling company, Journal entries in the books of Buying Company and

preparation of Balance Sheet of the buying company, Calculation of Goodwill or Capital Reserve, Treatment of – Intercompany debts, Intercompany Owings, Unrealised Profits, Discharge of debentures, Discharge of debenture holders to get same amount of interest in spite of change in rate of interest, Issue of new shares to raise additional capital.

Module 6	External Reconstruction	4 Hours		
Reconstruction A	according to Ind AS 103 & 110. Meaning - Accounting in the book	ks of Transferor		
Company. Accounting in the books of Transferee (based on relevant accounting standard);				
intercompany transactions (excluding inter-company share-holding).				

Skill Developr	nent:
1	Prepare Schedule II of Companies – Treatment of depreciation
2	Make a study of one case of mergers or acquisitions. State the reasons why the firms decided to do so.
3	What benefits were derived by both companies?
4	List any 5 cases of amalgamations/ absorption of Joint stock companies with a brief description of each case.
5	Prepare Schedule II of Companies – Treatment of depreciation
6	Make a study of one case of mergers or acquisitions. State the reasons why the firms decided to do so.
