## ABOUT THE INSTITUTION

St. Joseph's College of Commerce (SJCC) began as a Department of Commerce in 1949 at St. Joseph's College (Estd. 1882). This department was moved to Brigade Road campus in 1972 and became an independent college under the name St. Joseph's college of commerce (SJCC). SJCC is affiliated to the Bengaluru City University. Currently, there are over 3000 students in B.B.A, B.Com and M.Com programmes at SJCC. St. Joseph's College of Commerce was conferred autonomous status in October 2004 and recognised as a "College with Potential for Excellence" in February 2010 by UGC.

The college is reaccruited with 'A++' grade by the National Assessment and Accreditation Council (NAAC), in February 2021. It has been consistently ranked within the top 100 colleges by the National Institutional Ranking Framework (NIRF), MHRD. Since its inception, the college has been a state-of-the-art space for Education focusing on multi-dimensional responsive to the significant changes and developments in the field of Higher Education. Under the aegis of the NEP, the college has now enlarging to other multidisciplinary fields like english and economics.

### What is the best way to engage learners

Teachers must create the conditions whereby learners gather and recollect the material of their own experience in order to distil what they understand already in terms of facts, feelings, values, insights and intuitions they bring to the subject matter at hand.

### What needs to be known about learners

*Cura personalis* - personal care and concern for the individual - is a hallmark of Jesuit education, and requires that teachers become as conversant as possible with the context or life experience of the learner.

### What learners need to know and learn

Memory, understanding, imagination, and feelings are used to grasp the essential meaning and value of what is being studied, to discover its relationship to other facets of human knowledge and activity, and to appreciate its implications in the continuing search for truth.

### How do we compel learners to move beyond knowledge to action

Transform the world into a global community of justice, peace and love. It should at least be a step towards that goal even if it just leads to new experiences, further reflections and consequent actions.

### How do we assess learners' growth in mind, heart, and spirit

Evaluation which includes but goes beyond academic mastery to the learners' well-rounded growth as persons for others. Observant teachers will perceive indications of growth or lack of growth in class discussions and students' generosity in response to common needs much more frequently

The Bachelor's degree honours programme in Economics is a full-time undergraduate programme of 4 years that aims at providing a programme structure which would retain the 'traditionals' in the programme and equip the students with business acumen necessary to succeed in the professional world. On completion of B.Sc. Economics (honours) at SJCC, students will acquire comprehensive knowledge of how the economic principles are applied in the society, family, government and private sector, business, and science. So, join in to embark on a whole new adventure with us.

*“Economics is not an exact science. It’s a combination of an art and elements of science. And that’s almost the first and last lesson to be learned about economics: that in my judgment, we are not converging toward exactitude, but we’re improving our data bases and our ways of reasoning about them.”*

**Paul Samuelson**

*“Economics is a strange science. Our subject deals with some of the most important as well as mundane issues that impinge on the human condition.”*

**Dale T. Mortensen**

*“We believe that economics does not necessarily have to be a zero-sum game; it can be a win-win proposition for everyone involved so long as they have the tools in which to succeed.”*

**Ron Kind**

# COMMUNITY OUTREACH

Jesuit education helps students to realize that talents are gifts to be developed, not for self-satisfaction or self-gain, but rather, with the help of God, to be utilized for the good of human community. Students are encouraged to use their gifts in the service of others, out of love for God.

Jesuit Education is unique. It carries an inimitable mark and derives its inspiration from Ignatius, the Educator. The Ignatian pedagogical paradigm is legendary as it helps students to gradually learn to discern and be selective in choosing experiences; to draw fullness and richness from the reflection on those experiences and become self-motivated by his or her own integrity and humanity to make conscious, responsible choices. St. Joseph's College of Commerce strives to provide ample scope for students to make these responsible choices. Jesuit education transcends academic mastery. It is value oriented and encourages realistic knowledge of the world in which we live. Above all, through such social activities, it prepares men and women for active involvement in society.

Community Service Jesuit education helps students to realize that talents are gifts to be developed, not for self-satisfaction or self-gain, but rather to be utilized for the good of the human community. Students are encouraged to use their gifts in the service of others, out of love for God.

The objective of the outreach programme is to engage students in community service, instil in them a desire to serve, encourage them to think about society and motivate them to act and intervene in social issues.

## Rural Camps

As a part of the outreach programmes the students visit villages and experience the realities of village life, their predicaments and their everyday challenges with minimum resources. They conduct outreach programmes in these villages and work towards their betterment

## Bembala

'Bembala' is a BJES community outreach programme designed for students of all institutions under BJES. The programme aims to reach out to the deprived groups and vulnerable sections of society and create opportunities for education, awareness and skill enhancement. It intends to create a learning process for faculty and students, through exposure to community needs, problems, and issues. It hopes to reach out to the community by designing need-based interventions and generating research.

## Social Service Clubs

The Jesuit view of higher education has never been a simplistic and one-sided one. The aim of SJCC is preparing persons for the service of others. At the heart of the college's Vision & Mission is social concern. NSS, CSA, AICUF, Rotaract and Eco Club are associations dedicated to community service and outreach programmes.

# STUDENT COMMUNITY

## STUDENT DIVERSITY

St. Joseph's College of Commerce attracts students from all walks of life. SJCC hosts a diverse student population comprising of students from different religious, social, economic and linguistic background. The college becomes a melting pot for different cultures and traditions and provides an excellent opportunity for exchange of ideas.

## STUDENT SUPPORT

Student support and progression is one of the core criterions that the Institution strives to attain through its educational pursuits and extracurricular activities. All through its diversified programmes and ventures, it aims to drive students' passion and intellectual curiosity towards their subjects of interests.. To meet the demand for holistic education pedagogy, the college gives pre-placement support and guidance aid amongst many others.

## ORIENTATION PROGRAMMES

All the new students are welcomed to the campus and informed about the rules and regulations of the college, the course structure, examination process, placement procedure, code of conduct along with organisation structure of BJES.

## STUDENT WELFARE COMMITTEES

The college has constituted committees to provide proper support for students. These committees will look into the concerns of students and ensure a safe and comfortable stay in the campus.

- Grievance and Malpractice (Prevention & Redressal) Committee
- Sexual Harassment (Prevention and Redressal) Committee
- Anti-Ragging Cell
- Equal Opportunity Centre
- Student Welfare Committee

## REMEDIAL CLASSES

Remedial classes are conducted before the Mid-semester and End semester Examinations to provide additional academic support.

## MENTORSHIP

At SJCC, every first-year class is assigned two faculty mentors who take time to meet each student and help them with their concerns. Mentors keep an 'Open hour' every week for meeting the students. They keep track of academic performance, leave records and meet with parents when required. In addition, they educate the students about the college rules and facilities that they can avail.

## COUNSELLING & GUIDANCE

The college stresses on the holistic development of its students. To achieve this objective, the college has a counselling department. Counselling provides guidance and assistance to students, gives them a space to talk about their concerns and explore difficult feelings in a safe environment.

## PARENT - TEACHER MEETING

St. Joseph's College of Commerce works together with the parents of the students to ensure that the education of their wards is in line with their expectation. Parent-teacher meetings allow for the institution to understand the concerns of the parents and address them, while also helping them understand the ethos of the college. Their support is an integral part of the educational mission of our college and thus, this interaction provides for better understanding of the stakeholders' views.

## SCHOLARSHIP & FREESHIP

The Institution believes that life is lived well when it is lived generously in the service of others. The Jesuits believe that lack of financial resources should not hinder one's pursuit of education. They have always given importance to empowering the marginalized and provide financial aid to those that deserve to pursue their education and achieve their dreams.

## ASSOCIATIONS AND CLUBS

The college encourages students to hone and develop their skills in music, dance, art, literature, theatre and photography.

Students are encouraged to participate in fests of various colleges. Training programmes, workshops, seminars, poetry slams etc are conducted for students to develop their talents.

There are 41 student associations and clubs offering platforms to students to express themselves in creative ways.

## SPORTS AND GAMES

The college has a keen eye to spot and nurture potential sports students and to give them the right training and exposure to develop their skills. Students are encouraged to participate in sports and become part of the official college team.

## STUDENT COUNCIL

The Student Council is an elected body at SJCC and it manages student affairs and contributes to the welfare of the student community. The Student Council coordinates all the cultural activities of the college and encourages extracurricular activities among the students and is a forum for citizenship training and development of leadership skills.
