

IQAC Initiatives towards Professional Development Program

Development of individual employees is vital for Institutional growth. St. Joseph's College of Commerce (Autonomous) encourages learning for its own sake. In this background, the IQAC took the initiative to design and conduct many programs for both teaching and non-teaching staff members termed as employee development programs for the non-teaching staff members and professional development programs for the faculty members. The faculty members of the institution were also encouraged to attend faculty development program in the college as well as outside the college. The faculty members of the Institution have attended many number of Orientation Program, Refresher Course, Short Term Course, and Faculty Development Program during the last five years. They have also represented the Institution in their professional capacity in various seminars, workshops, college committee and have delivered guest lectures, keynote addresses, chaired session, were a member of panel discussions.
