About The Institution

St. Joseph's College of Commerce (SJCC) formerly a part of St. Joseph's College, established in the year 1882, is managed by the Bangalore Jesuit Educational Society (BJES). The Commerce Department was established in the year 1949 and it became an independent college with its own building in Brigade Road in the year 1972.

The college has in its Vision a model for higher education which encourages individuals to dream of a socially just world and in its Mission a strategy to empower individuals in realizing that dream, With an objective of imparting quality education in the field of Commerce and Management, the college has been innovating in all aspects of higher education over a long period of time. These innovations were further bolstered with the granting of autonomous status to the college by UGC in September 2005. From then on, the college has taken a lead in reforming curriculum and syllabus, examination and evaluation pattern, and teaching and learning methods through the Board of Studies, the Academic Council and the Governing Council composed of eminent academicians, industry representatives and notable alumni.

The college has undergone four cycles of NAAC accreditation starting from the year 2000 in which it secured 'five stars', next in the year 2007 an 'A' grade, in the year 2012 again an 'A' grade and recently in February 2021 an 'A++'. It is one of the very few institutions in the country to have secured A++ grade in the fourth cycle under the Revised Accreditation Framework (RAF) and the first college in Karnataka to do so. The college was declared as a 'College with Potential for Excellence' in the year 2010. In 2011, SJCC was recognized as a Research Centre by Bangalore University. The college has been ranked 55th in the country in 2024 by the National Institutional Ranking Framework (NIRF), Ministry of Education, Government of India.

The college offers diverse programmes in Commerce and Business Administration faculties. Under the faculty of Commerce, it offers B. Com (Regular), B. Com (Professional - International Accounting and Finance), B. Com (BPS - Industry Integrated), B. Com (Analytics), B. Com (Professional - Strategic Finance), M. Com (Finance & Taxation/ Marketing & Analytics), M. Com (International Business) & M. Com (Financial Analytics). Under Business Administration, it offers BBA (Regular), BBA (Entrepreneurship) and BBA (Professional - Finance and Accountancy), B.A. and B.Sc. were the two new programmes introduced in the academic year 2022-23. The college also offers five one-year Post Graduate Diploma programmes.

About The Department

The Post Graduate Department at St. Joseph's College of Commerce (Autonomous) was established in the year 2002 with the introduction of the M.Com programme. In 2007, M.Com (International Business) was introduced along with the Post Graduate Diploma programmes. In 2017, M.Com (Financial Analysis) was introduced to cater to the growing demand for specialized PG programmes. The department has in-house faculty members with doctorates and industry professionals with a vast experience in teaching and research. The department both in terms of curriculum and faculty, has always been up-to-date to facet the challenges of the dynamic nature of businesses and to provide state-of-the-art education to the students.

SJCC at a glance

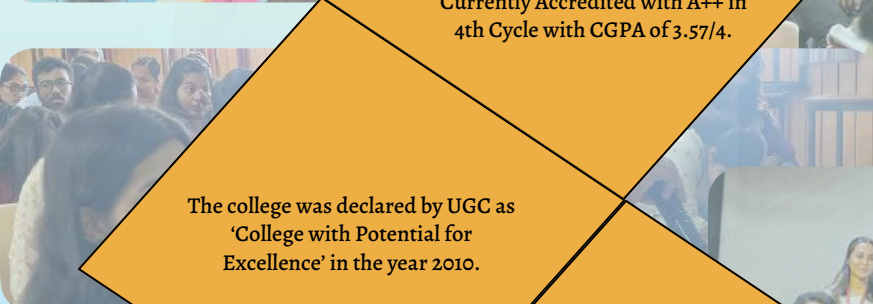

With an objective of imparting quality education in multidisciplinary fields, the college has been innovating in all aspects of higher education. These innovations were further bolstered with the granting of autonomous status to the college by UGC in September 2005.

St. Joseph's College of Commerce (SJCC) was formerly a part of St. Joseph's College established in the year 1882. The Commerce Department was established in the year 1942 and it became an independent college with its own building in Brigade Road in the year 1972.

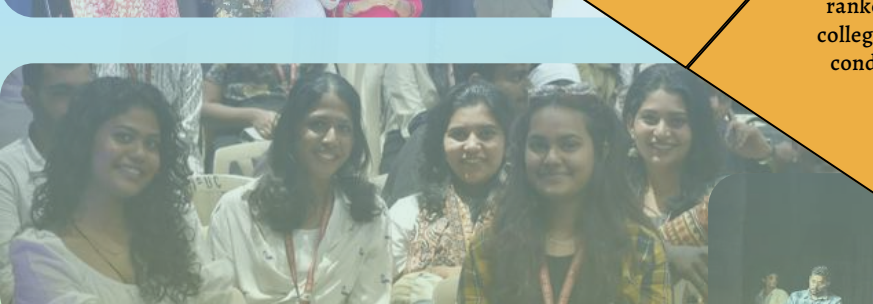

The college has undergone four cycles of NAAC accreditation starting from the year 2000. Currently Accredited with A++ in 4th Cycle with CGPA of 3.57/4.

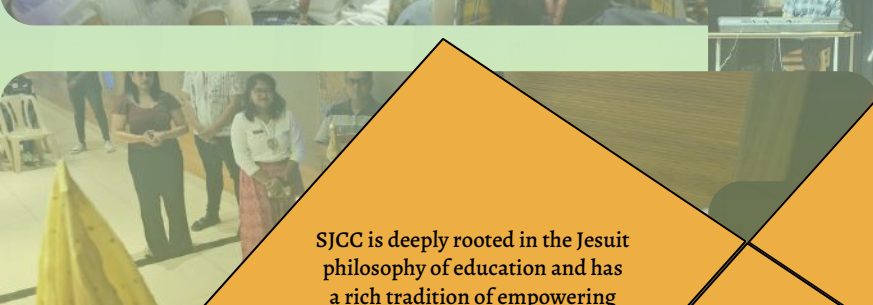

The college was declared by UGC as 'College with Potential for Excellence' in the year 2010.

A Research Centre was established in 2010 with the objective of engaging in quality research work in the field of commerce.

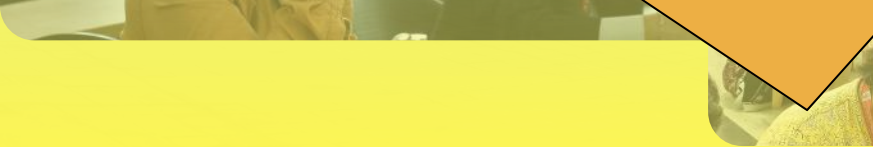

The college has been consistently ranked in the top 10 commerce college of the country in a survey conducted by MDRA for India Today magazine

The college has been consistently ranked in the top 100 of National Institutional Ranking Framework (NIRF) ratings of ministry of Education, Government of India.

SJCC is deeply rooted in the Jesuit philosophy of education and has a rich tradition of empowering the marginalized.

The college has implemented NEP, SEP and now offers innovative programmes in multidisciplinary fields like Economics and English.

The college has an eco-friendly campus winning the Best Ornamental Garden competition conducted by the Mysore Horticulture Department for the 4th consecutive year.

Programmes Offered

M.Com (Finance & Taxation)

This intellectually stimulating programme is designed to cultivate well-rounded, industry-ready professionals by providing a robust foundation in commerce and management. The curriculum seamlessly integrates conceptual knowledge with practical application, fostering analytical and research skills essential for success in academia and the industry.

With a strong emphasis on research, students benefit from courses in Research Methodology, Statistical Packages, and Dissertation Writing. They gain invaluable experience by presenting research papers at seminars and conferences, enhancing communication and critical thinking abilities. Practical training is another key focus, covering business essentials such as company valuation using MS Excel, coding in Python, and leveraging business intelligence tools like Power BI and Tableau.

The programme extends beyond academics, promoting both professional and personal growth. Sessions on recent industry developments, quantitative techniques, aptitude and logical reasoning, case-based learning, and managerial communication ensure students are well-equipped to navigate dynamic environments. Exposure to current business and economic trends further strengthens their readiness for the professional world.

Experiential learning is at the core of this programme, with field visits, summer internships/teaching practice, a compulsory rural exposure program and participation in social welfare initiatives. These activities bridge the gap between theoretical knowledge and real-world challenges, fostering practical insights and a commitment to social responsibility.

Dual Qualification

This programme provides students with a unique opportunity to pursue excellence by earning a dual qualification—a Master of Commerce (M. Com) degree along with a Post Graduate Diploma (PGD) in a specialization of their choice. The specializations include Financial Management, Business Administration, Human Resource Management, Marketing Management, and Data Science.

Eligibility Criteria

Candidates who have completed a B. Com or BBA degree from any recognized university with a minimum aggregate score of 50% across all courses/papers in their qualifying examination are eligible to apply for this program.

Duration

Two years (Four semesters).

Admission Process

The admissions are based on the candidate's academic record and performance in the interview.

M.Com (International Business)

The M. Com (International Business) programme features an innovative curriculum that combines core commerce and management courses with interdisciplinary options such as Project Management, Export-Import Procedures, Foreign Exchange Management and Supply Chain Logistics Management. Designed to develop candidates for managerial roles in international trade and business, the programme emphasizes practical learning and research skills.

Students gain hands-on experience in business valuation using MS Excel, explore trending coding languages like Python and utilize business intelligence tools such as Power BI and Tableau. Sessions on recent industry trends, quantitative methods, aptitude and logical reasoning, case-based learning and managerial communication equip students with the skills needed to excel in dynamic environments. Additionally, exposure to contemporary business and economic developments enhances their preparedness for the professional world.

Experiential learning forms the foundation of this programme, incorporating field visits, summer internships, a mandatory rural immersion program, and engagement in social welfare initiatives. These activities seamlessly connect theoretical knowledge with real-world challenges, promoting practical understanding and a strong sense of social responsibility.

In the 4th semester, students can choose between semester corporate internships or dissertation work to align their learning with career goals and bridging the gap between theory and real-world practice.

Dual Qualification

This program provides students with a unique opportunity to pursue excellence by earning a dual qualification—a Master of Commerce (M. Com) degree along with a Post Graduate Diploma (PGD) in a specialization of their choice. The specializations include Financial Management, Business Administration, Human Resource Management, Marketing Management, and Data Science.

Eligibility Criteria

Candidates who have completed a B. Com or BBA degree from any recognized university with a minimum aggregate score of 50% across all courses/papers in their qualifying examination are eligible to apply for this program.

Duration

Two years (Four semesters).

Admission Process

The admissions are based on the candidate's academic record and performance in the interview.

M.Com (Financial Analysis)

The M. Com (Financial Analysis) programme is meticulously designed to focus on Finance, Accounting and decision-making, providing students with a challenging curriculum benchmarked against the best in the country. It aims to develop analytical skills that equip students to navigate business challenges at both national and global levels. Emphasis is placed on thorough financial statement analysis, enabling students to make informed financial decisions.

The programme bridges the gap between industry and academia by offering training in essential business and technical skills, such as Financial Modeling using MS Excel, Econometric tools, and proficiency in trending coding languages like Python. Students also gain expertise in business intelligence technologies, including Power BI and Tableau.

A distinctive feature of this programme is the inclusion of a corporate internship for an entire semester during the final year, providing practical experience and a deeper understanding of theoretical concepts.

Additionally, the programme offers a unique dual qualification opportunity, allowing students to earn an M. Com degree alongside a Post Graduate Diploma (PGD) in a specialization of their choice, including Financial Management, Business Administration, Human Resource Management, Marketing Management, or Data Science.

Experiential learning is further enriched through a compulsory rural exposure program and participation in social welfare activities, fostering a sense of social responsibility. Mandatory field visits ensure students connect classroom learning with real-world challenges, preparing them for dynamic and competitive environments. This comprehensive programme equips students with the skills and knowledge to excel in the field of financial analysis and beyond.

Eligibility Criteria

Candidates who have completed a B. Com or BBA degree from any recognized university with a minimum aggregate score of 50% across all courses/papers in their qualifying examination are eligible to apply for this program.

Duration

Two years (Four semesters).
