

St. Joseph's College of Commerce (Autonomous)

163 Brigade Road, Bengaluru, Karnataka - 560 025.

POST GRADUATE Department of Commerce

ADMISSIONS 2026 - 2027

About the Institution

St. Joseph's College of Commerce (SJCC) formerly a part of St. Joseph's College, established in the year 1882, is managed by the Bangalore Jesuit Educational Society (BJES). The Commerce Department was established in the year 1949 and it became an independent college with its own building in Brigade Road in the year 1972.

The college has in its Vision a model for higher education which encourages individuals to dream of a socially just world and in its Mission a strategy to empower individuals in realizing that dream, With an objective of imparting quality education in the field of Commerce and Management, the college has been innovating in all aspects of higher education over a long period of time. These innovations were further bolstered with the granting of autonomous status to the college by UGC in September 2005. From then on, the college has taken a lead in reforming curriculum and syllabus, examination and evaluation pattern, and teaching and learning methods through the Board of Studies, the Academic Council and the Governing Council composed of eminent academicians, industry representatives and notable alumni.

The college has undergone four cycles of NAAC accreditation starting from the year 2000 in which it secured 'five stars', next in the year 2007 an 'A' grade, in the year 2012 again an 'A' grade and recently in February 2021 an 'A++'. It is one of the very few institutions in the country to have secured A++ grade in the fourth cycle under the Revised Accreditation Framework (RAF) and the first college in Karnataka to do so. The college was declared as a 'College with Potential for Excellence' in the year 2010. In 2011, SJCC was recognized as a Research Centre by Bangalore University. The college has consistently been ranked among the top 100 colleges in the country by the National Institutional Ranking Framework (NIRF), Ministry of Education, Government of India, since its inception in 2017.

The college offers diverse programmes in Commerce and Business Administration faculties. Under the faculty of Commerce, it offers B. Com (Regular), B. Com (Professional - International Accounting and Finance), B. Com (BPM - Industry Integrated), B. Com (Analytics), B. Com (Professional - Strategic Finance), M. Com (Finance & Taxation/ Marketing & Analytics), M. Com (International Business) & M. Com (Financial Analytics). Under Business Administration, it offers BBA (Regular), BBA (Entrepreneurship) and BBA (Professional - Finance and Accountancy), BA (English, Psychology & Communicative English) and B.Sc (Economics, Data Analytics and Mathematics) were the two new programmes introduced in the academic year 2022-23. The college also offers five one-year Post Graduate Diploma programmes.

CHARACTER FORMATION

Vision

“Fide et Labore,” meaning “Faith and Toil.”
Faith is the commitment to God and fellow beings while Toil represents hard work.

SOCIAL CONCERN

Mission

St. Joseph’s College of Commerce seeks to be a place where academic excellence goes with the cultivation of virtue, and where a community is formed which sustains men and women in their education and their conviction that life is only lived well when it is lived generously in the service of others.

ACADEMIC EXCELLENCE

Motto

To create a just, secular and democratic society, especially in the service of the poor, the oppressed and the marginalized.

About the Department

The Post Graduate Department at St. Joseph's College of Commerce (Autonomous) was established in the year 2002 with the introduction of the M.Com programme. In 2007, M.Com (International Business) was introduced along with the Post Graduate Diploma programmes. In 2017, M.Com (Financial Analysis) was introduced to cater to the growing demand for specialized PG programmes. The department has in-house faculty members with doctorates and industry professionals with a vast experience in teaching and research. The department both in terms of curriculum and faculty, has always been up-to-date to face the challenges of the dynamic nature of businesses and to provide state-of-the-art education to the students.

Programmes Offered

**M.Com
(Finance & Taxation)**

**M.Com
(International Business)**

**M.Com
(Financial Analysis)**

Postgraduate Diploma

M.Com (Finance & Taxation)

This intellectually stimulating programme aims to develop well-rounded, industry-ready professionals with a strong foundation in commerce and management. It integrates conceptual knowledge with practical application, enhancing analytical, research, and communication skills through courses like Research Methodology, Statistical Packages, and Dissertation Writing, as well as paper presentations at seminars and conferences. Practical training includes company valuation using MS Excel, coding in Python, and using business intelligence tools such as Power BI and Tableau. Beyond academics, the programme emphasises professional and personal growth through sessions on industry trends, quantitative techniques, logical reasoning, case-based learning, and managerial communication. Experiential learning lies at its core, with field visits, internships or teaching practice, a compulsory rural exposure programme, and participation in social welfare initiatives, helping students connect theory with real-world challenges while fostering social responsibility.

Dual Qualification

- Offers a Master of Commerce (M.Com) degree along with a Postgraduate Diploma (PGD) in a chosen specialisation.
- Specialisations: Financial Management, Business Administration, Human Resource Management, Marketing Management, and Data Science.

Eligibility Criteria

- Bachelor's degree in B.Com or BBA from a recognised university.
- Minimum 50% aggregate across all subjects.

Duration

- 2 years (4 semesters).

Admission Process

- Based on academic record and interview performance.

M.Com (International Business)

The M.Com (International Business) programme offers an innovative curriculum that integrates core commerce and management courses with interdisciplinary subjects such as Project Management, Export-Import Procedures, Foreign Exchange Management, and Supply Chain Logistics Management. Designed to prepare students for managerial roles in international trade and business, it emphasizes practical learning and research skills. Students gain hands-on experience in business valuation using MS Excel, learn Python, and use business intelligence tools like Power BI and Tableau. Sessions on industry trends, quantitative methods, logical reasoning, case-based learning, and managerial communication build analytical and decision-making abilities, while exposure to contemporary business and economic developments enhances professional readiness. Experiential learning is central to the programme, featuring field visits, summer internships, a mandatory rural immersion programme, and social welfare initiatives that bridge theory with practice and promote social responsibility. In the fourth semester, students may choose between a corporate internship or a dissertation project, aligning their academic journey with career aspirations and strengthening their preparedness for global business environments.

Dual Qualification:

- Offers a Master of Commerce (M.Com) degree along with a Postgraduate Diploma (PGD) in a chosen specialisation.
- Specialisations include financial management, business administration, human resource management, marketing management, and data science.

Eligibility Criteria:

- Candidates must hold a B.Com or BBA degree from a recognised university.
- Must have a minimum of 50% aggregate marks across all subjects.

Duration:

- 2 years (4 semesters).

Admission Process:

- Based on academic record and performance in the interview.

M.Com (Financial Analysis)

The M.Com (Financial Analysis) programme focuses on finance, accounting, and decision-making, aiming to develop strong analytical skills for national and global business challenges. It provides training in financial modeling (MS Excel), econometric tools, Python, and business intelligence tools like Power BI and Tableau. A semester-long corporate internship offers practical experience, while the programme also allows a dual qualification—an M.Com degree with a PGD in specializations such as Financial Management, Business Administration, HR, Marketing, or Data Science. Experiential learning through rural exposure, social welfare activities, and field visits connects theory with real-world practice, preparing students for competitive financial careers.

Eligibility Criteria:

- Candidates must have completed a B.Com or BBA degree from a recognized university.
- Must have a minimum aggregate of 50% across all courses/papers.

Duration:

- 2 years (4 semesters).

Admission Process:

- Based on academic record and performance in the interview.

Postgraduate Diploma

The Postgraduate Diploma is a one-year (two semesters) weekend programme recognised by the Government of Karnataka. Designed for students and working professionals, it offers specialisation in financial management, human resource management, marketing management, business administration, and data science. This programme provides a comprehensive foundation to enhance expertise and career growth.

Programmes Offered

- PGD in Enterprise Resource Planning - Data Science (PGDERP - DS)
- PGD in Business Management (PGDBA)
- PGD in Human Resource Marketing (PGDHRM)
- PGD in Financial Management (PGDFM)
- PGD in Marketing Management (PGDMM)

Salient Features

- Industry-aligned curriculum to meet organizational needs.
- Faculty with rich industry experience for practical insights.
- Real-world problem analysis integrated into classroom learning.
- Specialized workshops tailored to the chosen field of study.
- Guest lectures by industry experts to bridge academic and professional knowledge.
- Excellent infrastructure at an affordable fee structure.
- Continuous evaluation for consistent learning and improvement.
- Industry-oriented skill development programs for enhanced employability.
- This diploma program is a well-rounded opportunity for learners to develop industry-relevant skills and thrive in a competitive professional environment.

Key features of the Programme

❖ Hands-on experience via teaching practice, summer corporate internship, semester corporate internship and dissertation (research).

❖ Fostering Research Culture

❖ Benchmarked and industry-relevant curriculum

❖ Programme-Specific Courses

❖ Interdisciplinary Courses and Courses on Thrust Issues, Value-added courses

❖ Value-added courses and Skill Enhancement courses

❖ Extension and Outreach Initiatives and Awareness Activities

LEARNINGS BEYOND CLASSROOM

The department is committed to providing students with a comprehensive exposure to the latest developments and trending topics in the fields of Commerce and Management. To achieve this, it actively organizes a range of guest lectures, seminars, and conferences, allowing students to engage with industry experts and academicians, gain diverse perspectives, and stay updated on contemporary practices. In addition to these academic sessions, the department emphasizes experiential learning through industrial visits, educational trips, and social visits, offering students first-hand insights into real-world business environments and organizational operations. These initiatives not only enhance theoretical understanding but also help students develop practical skills, professional awareness, and a deeper appreciation for the dynamic nature of the commerce and management sectors. By blending academic learning with practical exposure, the department ensures that students are well-prepared to navigate the challenges of the professional world while fostering a sense of social responsibility and industry readiness.
