

About the Programme

Designed in collaboration with the Institute of Management Accountant (IMA) ,USA to provide students with the unique opportunity to pursue their CMA qualification in tandem with their under graduation. The Certified Management Accountant (CMA) is the highest level of certification in management accounting awarded by IMA, USA.

This Programme enables the students to obtain substantial fundamental knowledge of various financial and management accounting subjects. The core subjects will be taught by experienced professionals from the industry as well as by competent faculty of St. Joseph's College of Commerce. Both Part 1 and Part 2 exams of CMA can be completed by the end of the degree program.

Batch Timing : 7 A.M

SJCC – IMA US - Miles Education

St. Joseph's College of Commerce takes pride in its curriculum which incorporates industry-based requirements and offers students an opportunity to pursue professional courses along with B. Com, BBA, and M. Com courses.

SJCC has signed a MoU with IMA to provide professional programs to its students which complement their academic studies at the University. These include IMA's Certification of Management Accountants (CMA) global certification programme. IMA's CMA certification program is an advanced-level assessment for accounting and financial professionals in business.
