

St. Joseph's College of Commerce (Autonomous)

#163, Brigade Road, Bengaluru - 560025, Karnataka, India

Affiliated to Bengaluru City University

Accredited with 'A++' Grade by NAAC in 4th Cycle (CGPA of 3.57/4) College with Potential for Excellence (CPE)

Ranked 55th in NIRF 2024 by the Ministry of Education, Government of India

Internal Quality Assurance Cell (IQAC)

In collaboration with

Xavier Board of Higher Education in India (XBHEI)

Organises

Two Day Online Faculty Development Programme on

The Role Artificial Intelligence in Higher Education

(20th & 21st February, 2025)

Online Platform:
Microsoft Teams

05:00 pm - 08:00 pm

About the Institution

St. Joseph's College of Commerce (SJCC), formerly a part of St. Joseph's College, established in the year 1882, is managed by the Bangalore Jesuit Educational Society (BJES). The BJES is a unit of a Catholic religious order called the Society of Jesus founded by St. Ignatius of Loyola in 1540. The Department of Commerce was established at St. Joseph's College in the year 1949 which later became an independent college with its own building on Brigade road in the year 1972. The college has in its vision a model for higher education which encourages individuals to dream of a socially just world and in its mission a strategy to empower individuals in realising that dream.

With an objective to impart quality education, the college has been innovating in all aspects of higher education. These innovations were further bolstered with the granting of autonomous status to the college by UGC in September, 2005. The college has undergone four cycles of NAAC accreditation starting from the year 2000 in which it secured 'five stars'. The college was graded an 'A' grade, in the year 2007 and 2012. and recently in February 2021 the college was re-accredited with an 'A++' grade and a CGPA of 3.57/4. SJCC is one of the first colleges in Karnataka and the very few institutions in the country to have secured A++ grade in the fourth cycle under the Revised Accreditation Framework (RAF). In 2010, the college was declared a 'College with Potential for Excellence'. In 2011, SJCC was recognised as a Research Centre by Bengaluru City University. The college is ranked 55th in the National Institutional Ranking Framework (NIRF) ratings of the Ministry of Education, Government of India in 2024.

About IQAC

The Internal Quality Assurance Cell (IQAC) of St. Joseph's College of Commerce has played a crucial role in initiating quality measures to enhance educational excellence. The IQAC focuses on improving teaching, learning and evaluation, research, outcome-based education, extension activities, consultancy, and other core areas that contribute to the holistic development of individuals on campus. Serving as a central agency, it coordinates quality-related activities, disseminates best practices, collects and analyzes stakeholder feedback, conducts academic and administrative audits, and ensures the timely submission of the Annual Quality Assurance Report (AQAR) following NAAC guidelines, aiming for continuous improvement in institutional performance.

About Xavier Board of Higher Education in India (XBHEI)

The Xavier Board of Higher Education in India (XBHEI), established in 1951, is the only association of Catholic Higher Education institutions in India. It provides a platform for collaboration, networking and shared values. The Xavier Board, in collaboration with the Catholic Bishops' Conference of India (CBCI) and its Commission for Education, plays a pivotal role in advancing educational initiatives across Catholic institutions in India. It's an Indian Organ of International Federation of Catholic Universities (IFCU) with headquarter in Paris.

The Xavier Board is committed to delivering education that blends academic rigor with Gospel Values, Excellence and Leadership. It plays a pivotal role in offering inclusive and accessible education across India, spanning from rural areas to metropolitan regions. By focusing on marginalized communities and underprivileged students, these institutions provide opportunities for quality education in diverse disciplines. A noteworthy achievement is the success of 21 of these institutions, which have earned top rankings in the National Institutional Ranking Framework (NIRF), positioning them among the top 100 institutions in India. The emphasis on leadership development further empowers students to become the future leaders of India, equipped to contribute to various sectors such as business, healthcare, social services, and governance, ultimately driving positive change in society.

About the Role of Artificial Intelligence in Higher Education

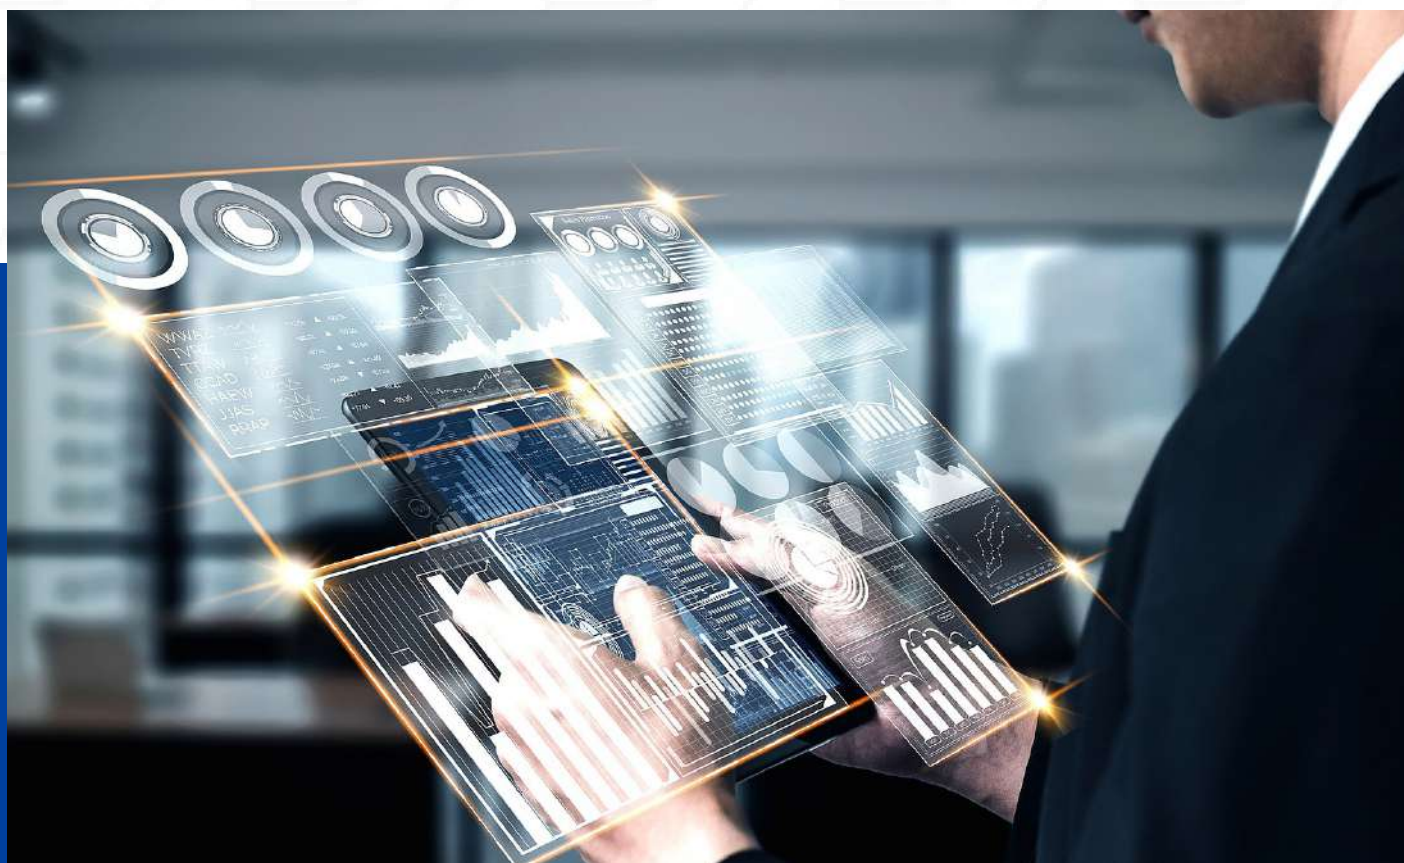

Artificial Intelligence (AI) is increasingly influential in higher education, enhancing various aspects of the educational landscape. It revolutionizes teaching methodologies by providing personalized learning experiences through the analysis of individual student data. Educators utilize AI tools to create interactive and customized educational materials, streamline content delivery, and facilitate adaptive learning. Furthermore, AI improves administrative processes, allowing educators to focus more on mentorship and personalized instruction. Predictive analytics from AI algorithms also help identify at-risk students, facilitating timely interventions for better learning outcomes. Overall, AI integration fosters a more inclusive, engaging, and effective educational environment that caters to diverse student needs.

About Faculty Development Programme

The FDP will explore the integration and application of Artificial Intelligence (AI) in Higher Education, specifically designed for university and college educators. It aims to demonstrate how AI can transform teaching methodologies, boost student engagement, and improve educational quality. Participants will engage in dynamic, hands-on learning experiences, discussing personalized learning solutions and navigating ethical considerations. The workshop will foster a collective understanding of AI's potential to reshape and elevate the future of learning institutions and improve overall educational experiences.

Target Participant

All academicians from colleges and Universities.

Programme Schedule

Day -1 (20 -02-2025)		
Timings	Topic	Resource Person
5.00 PM – 6.30 PM	AI in Research Writing	Dr. K.S Sowmiya Rani Editor - Cactus Communications Founder, Editor and Reviewer at Sowmis_AWW
6.35 PM – 8.05 PM	AI in Higher Education: Pedagogical Integration and Teaching Methodologies	Dr. P. Malliga Professor Dept. of Computer Science & Engineering, National Institute of Technical Teachers Training and Research, (A Centrally Funded Technical Institution, Ministry of Education, Govt. of India), Chennai
Day -2 (21 -02-2025)		
Timings	Topic	Resource Person
5.00 PM – 6.30 PM	Innovative Methods for Integrating into AI Tools to Improve Classroom Management	Prof. (Mrs.) Vimal Rarh Director, UGC-MMTTC, a centre of UGC & Ministry of Education, Govt. of India Professor, Dept. of Chemistry, SGTB Khalsa College, University of Delhi Coordinator, National Resource Centre of Chemistry, Ministry of Education, GOI
6.35 PM – 8.05 PM	AI Tools for Assessment	Dr. Vimal Jerald Assistant Professor in Computer Science, St. Joseph's College (Autonomous), Tiruchirappalli

Registration Details

Last Date for Registration: 15th February,2025

Registration Fee : Rs. 300/-
