Governance, Leadership & Management

A Brief History of the College

St. Joseph's College of Commerce was formerly a part of St. Joseph's College which was established in the year 1882 as an educational initiative by the French Foreign Mission Fathers for the purpose of imparting higher education. In 1937, the management of the college was handed over to the Jesuits, a worldwide Catholic religious order with a special focus on education. The Jesuits also run other premier institutions in India like Loyola College, Chennai, St. Xavier's College, Calcutta and St. Xavier's College, Mumbai. The Department of Commerce was established in the parent college in 1949. In 1972 this department became an independent college under the name of St. Joseph's College of Commerce. It is recognized under Section 2(f) and 12B of the UGC Act. It became an autonomous institution in October 2004. St. Joseph's College of Commerce was recognized as a "College with Potential for Excellence" in February 2010 by UGC.

The college aims at a holistic and integral formation of its students, fostering in them a spirit of academic excellence, social concern and character formation, shaping them to become "men and women" for others.

The motto of the College is 'Fide et Labore' ('Faith and Toil'), which serves as an inspiration behind the vision and the educational praxis of the college.

From the beginning, the College has striven to be a state of the art institution for commerce education. The thrust has been in~~on~~ the pursuit of multi-dimensional educational excellence. Currently, it enjoys an 'A' grade with the National Assessment and Accreditation Council (NAAC). The college has been responsive to the significant changes and developments in the field of higher education, as well as in the domain of commerce and business.

The college was preparing itself to undergo the fourth cycle of accreditation in this academic year when the NAAC extended the accreditation till 2020 as the college had secured an 'A' grade in the previous cycle of assessment.

Milestones of the Institution:

Established in 1972 – fruitful existence for 43 years and celebrated its Ruby Jubilee.

Recognized under Section 2(f) and 12B of the UGC Act.

Date of conferment of Autonomy – October 2005, Extension of Autonomy – September

2010.

One of the first five Colleges conferred with Autonomy in the State of Karnataka.

Reaccredited by NAAC with 'A' grade in the third cycle of re-accreditation.

Recognized as a "College with Potential for Excellence" by the University Grants Commission in 2010.

Recognized as a Research Centre in 2010 by the Bangalore University.

Vision & Mission

Jesuit Vision of Education

Jesuit Education, inspired and motivated by the person and message of Jesus Christ, affirms

(a) that God is the author and sustainer of all reality and truth; (b) that every human being is created in the image and likeness of God; and

(c) that the whole of creation and the human community are radically good.

Jesuit Education, therefore, is committed to

(a) An authentic search of knowledge in the service and advancement of the world;

(b) Upholding the dignity, uniqueness and giftedness of each individual; and

(c) The promotion of harmony among humans, and between humans and nature.

The 'Mission' is derived from the Vision and is the raison d'etre of the College.

St. Joseph's College of Commerce seeks to be the place where search for knowledge complements a sense of responsibility to the life of the community, where understanding is coupled with commitment, and where academic excellence goes with the cultivation of virtue. The Institution seeks to be a place where a community is formed which sustains men and women in their education and their conviction that life is lived well only when it is

lived generously in the service of others.

Aims and Objectives

In keeping with the ethos of the Society of Jesus, the guiding force behind this Institution and keeping in tune with the spirit and needs of the times we live in, the College aims at the holistic formation of students, helping them to become men and women imbued with a spirit of excellence and an abiding concern for others. These are guided by the three intertwined goals: Academic Excellence, Social Concern & Character Formation.

The Bangalore Jesuit Educational Society

The Bangalore Jesuit Educational Society, hereinafter called BJES, is a registered, non-profit making, non-sectarian, non-governmental, educational organization engaged in education, research and training. It is run by Karnataka Jesuit Province. St. Joseph's College of Commerce is one among the many Jesuit Educational Institutions governed by BJES.

The Rector, Vice President of Bangalore Jesuit

Educational Society (BJES) who is also the chairman of the Governing Body of St. Joseph's College of Commerce is the head of all the institutions under BJES and also the Appellate Authority. He is in overall charge of all the

aspects of life and work in the institution under direction of and with accountability to the Provincial, President of BJES. The leadership functions are vested with the Principal, who is the Academic Director and has legitimate autonomy in academic matters. The Principal is responsible to provide a conducive ambience for the intellectual pursuit of staff and students. The outstanding achievements of the staff, students and the alumni are the result of leadership and governance which bear testimony to the academic excellence pursued by the college. JHEASA (Jesuit Higher Education Association South Asia) meets annually to evaluate and enhance the quality of education in all the institutions.

The Governing Body of the Bangalore Jesuit Educational Society (BJES)

The Governing Body is responsible for the over-all management of the institution. It creates a vision for the institution and takes important decisions with regard to financial management.

Student Welfare Committees

Anti-ragging Cell

Any student engaged in the act of ragging shall be suspended from college and handed over to the law. Students are warned and discouraged to engage in any activities that constitute ragging and efforts are taken to develop an atmosphere of friendliness and mutual respect. In At the beginning of the academic year all students are informed regarding the anti-ragging cell and explained the process of filing a complaint through orientation programmes. The cell also strives to create an atmosphere in college that is free of ragging in any form.

Sexual Harassment (Prevention & Redressal Cell)

The Institution has constituted a Sexual Harassment (Prevention and Redressal Committee) to ensure that the students, teachers and non-teaching staff can work together in an environment free of gender violence, sexual harassment and discrimination on the basis of sex and gender. The college conducts regular workshops, organizes discussions and open house exclusively for girls to sensitize

students regarding gender equality and also to instil instill confidence among girl students.

Equal Opportunity Centre

The Institution has established an Equal Opportunity Centre, as per the guidelines of UGC, to oversee the effective implementation of policies and programmes for disadvantaged groups, to provide guidance and counselling with respect to academic, financial, social and other matters and to enhance the diversity within the campus. The centre ensures that students coming from disadvantaged social and economic background are given financial support in the form of fee concession and scholarships. It also organizes lectures, workshops and interactive sessions in order to create a socially congenial atmosphere for academic interaction and for the growth of healthy interpersonal relationship among the students coming from various social backgrounds.

Malpractice & Grievance (Prevention & Redressal Cell)

The Institution has a Grievance Redressal Cell which constitutes a committee to address the grievances of students. Any grievance faced by students may be brought to the notice of this Committee. This committee will meet at least three times a year to redress grievances filed by the students. Grievances to this committee are submitted by the students in the prescribed format available in the College handbook.

Principal's Foreword

Distinguished Chief Guest of this evening Dr. B. K. Ravi, Registrar , Bangalore University, Rev. Fr. Anthony Joseph, SJ, Vice President of BJES & Rector of St. Joseph's Institutions, Dear Principals, Rev. Fathers, Rev. Sisters, respected Members of the Staff, Parents, Alumni, Guests and my dear Students –

Good evening and a warm welcome to the 46th College Day Celebrations of St Joseph's College of Commerce.

Indian society is witnessing a dynamic change. Over the past few years the country has witnessed some dramatic events. The very ideological basis of the constitution is under threat, freedom of expression in every field is being undermined, 'equality' still seems to be just a token word and there seems to be a growing sense of intolerance. After years of

struggle our society still needs bright reformers, visionary leaders, committed educators and honest administrators to put India in the path of progressive and sustainable development.

Amidst a general apathy towards the welfare of society we can still find courageous young men and women who have taken up the challenge of reforming Indian society. This young brigade is not just working in NGOs and civil rights groups but has also entered politics which is a nonconventional career option for the majority of young men and women. They are committed to upholding the constitutional values and rescue the original idea of India as a secular and democratic country. Against all odds they have been successful in giving us the hope for a better future. It is this kind of leadership that Indian society desperately needs. It is this kind of leaders that this Jesuit institution seeks to create.

St. Joseph's College of Commerce has worked very hard to inculcate a sense of responsibility towards society in everything that it does. From the curriculum design to the planning of outreach activities the college seeks to offer the best to our students. We hope that this collective project of creating 'men and women for others' has been a productive exercise for all those who were involved.

This year has indeed been special as we were blessed to receive the Superior General of the Jesuit Order Rev. Fr. Arturo Sosa SJ to Karnataka Province. His presence has filled us with utmost joy and has motivated us to continue our dedicated work with the community.

The Institution has continuously been ranked as one of the top most colleges for commerce education in the country. The college has been ranked 29th under the college category by the National Institutional Ranking Framework (NIRF) in 2017 and 6th best in the country under the commerce college category by the AC Neilson Survey for India Today. We continue to strive to be the best college in India for commerce education.

This academic year, three of our staff members were awarded PhDs. I congratulate Dr. Augustin Amaladas, Dr. Sridhar L S and Dr. Ganesh for successfully defending their thesis and contributing to the academic excellence of the college.

I am pleased to present a record of the achievements in the academic, co-curricular and sports fields for the academic year 2017-18.

This journey would not have been possible without the commitment and dedication of our students and staff. The faculty has contributed immensely in various administrative and academic capacities.

At the outset, I wish to place on record the efficient services of Mr. G.S Jagannath, who retired after serving the institution for 30 years. A man of dedication, commitment and passion, he carried out his duty faithfully. He devotedly served generations of students and staff and guided them particularly with general enquiries and scholarships.

Fr. Roshan Pereira SJ who served as the campus minister, deserves special thanks for all his contributions to the Institution. As he moves on from SJCC to shoulder greater responsibilities, I wish him good luck.

A warm welcome to Rev. Fr. Prashanth Madtha SJ, Finance Officer, to SJCC. He joined us this academic year. An experienced academician, he is also hailed as the Ferdinand Kittel of Konkani Language. His presence in the campus is itself an inspiration for all.

I would like to congratulate and appreciate Dr. Nirmala Joseph for her commendable and efficient service as the Vice Principal of the Institution. I thank the Heads of Departments Ms. Veenu Joy (B.Com Dept.), Mr. Raj Sadhwani, (BBA Dept.), Ms. Ravi Darshini T.S, (Postgraduate Dept.), Ms. Suganthi Pais, Coordinator (B.Com TT & B.Com II), Ms. Nischitha, Coordinator incharge (B.Com Professional Programme) Dr. Rajaram (Dept. of English), Dr. Sajida Ahmed (Dept. of Hindi) and Mr. Lavakumar T H (Dept. of Kannada) for their academic leadership and for guiding the students towards academic excellence.

I thank Ms. Sneha S. Rai, Controller of Examinations, and Dr. Antony Oliver, Custodian of Examinations for the meticulous planning and conduct of examinations. My gratitude to Ms. Muktha, IQAC Coordinator, for initiating and coordinating quality enhancement measures and for driving the institution towards excellence.

The Assistant Research Director of the Research Department, Dr. Raja Jebasingh, The head of the Department of Counselling and Holistic Studies, Ms. Gretta Furtado, Mr. Samuel Gladson, the outreach coordinator, the Sports Department guided by Ms. Asha, all deserve a special mention for being responsible for the holistic development of students.

I congratulate Ms. Rathi David, Student Governor, for organizing important events on

behalf of the Student Council. I also take this opportunity to express my sincere appreciation to Ms. Komal Dave, the Placement Coordinator, for her work towards securing a career for students and for her efforts in grooming students for their professional life. Ms. Tasmiya and Dr. Neeti for effectively coordinating the International desk at SJCC and for initiating meaningful collaborations. A special thanks to Mr. Kumaresh and Mr. Babu of the Computer & ERP Dept for all the technological innovations and support extended during the academic year.

I would like to extend my heartfelt thanks to the co-ordinators of various associations and student counsellors for their continuous support and guidance to the students, particularly, Mr. Vinay for efficiently coordinating all the activities of the associations and clubs. I duly thank the faculty members who have worked tirelessly to discharge their responsibilities as teachers and mentors.

The Internal Quality Assurance Cell (IQAC)

Internal Quality Assurance Cell (IQAC) was established as a post-accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC is a part of the institution's system and works towards realisation of the goals of quality enhancement and sustenance. It develops a system for conscious, consistent and catalytic improvement in the overall performance of the institution. It channelizes all efforts and measures of the institution towards promoting a holistic development of students. It aims for ushering in quality by working out strategies to intervene and enhance the overall experience of the college.

IQAC at SJCC attempts to promote the core values of the institution such as Contributing to National Development, Fostering Global Competencies among Students, Inculcating a Value System among Students, Promoting the Use of Technology and Quest for Excellence in the Institution.

The objectives of IQAC are enumerated as below:

- a) Promoting innovative practices that continually improves the effectiveness of the learning experiences of students and staff.
- b) Upholding the goals of quality enhancement and sustenance towards organizing various activities and programmes on the campus.

- c) Promoting a learner centric environment for students and staff that foster the mission and vision of the Institution.

Below are the listed strategies to implement the above stated objectives:

- a) IQAC promotes qualitative measures for Institutional functioning towards internalization of quality culture and best practices.
- b) IQAC is set up to ensure timely, efficient and progressive performance of academic, administrative and financial tasks. Steps are taken to ensure credibility of evaluation procedures and affordability of academic programmes for various sections of the society.
- c) Qualitative steps are taken to integrate modern methods of teaching and learning to increase relevance and quality of Academics and Research programmes.
- d) The Cell ensures the maintenance and functioning of the support structure and services.
- e) The Cell promotes Research sharing and networking with other Institutions in India and abroad.

Major Initiatives of IQAC for the Academic Year 2017-18

a) National Seminar: Teachers and Patents – Negotiating the world of Intellectual Property Rights

The Internal Quality Assurance Cell (IQAC) organized an interactive seminar entitled 'Teachers and Patents – Negotiating the world of Intellectual Property Rights' on December 19, 2017. The seminar aimed at bringing awareness about the power of ideas among the academia and the growing need to protect them in today's world. The keynote session was presided over by Dr. M Kantha Babu who introduced the concepts of intellectual property rights, highlighting certain key aspects like patentability criteria and consequences of infringement.

Comment [LC4]: If his designation can be mentioned here

b) Outcome Based Education

IQAC is working towards introducing Outcome-Based Education in the college's learning scheme. Outcome-based education is an educational theory that focuses on setting academic goals and working towards achieving those goals in a systematic manner. The aim is to have each student achieve this predetermined goal by the end of the

educational programme. The major benefits of this educational methodology include clarity in terms of the end goal for the students and flexibility in the forms of teaching. A national level conference was organised followed by a three-day workshop to create awareness and exposure to the faculty members about the entire process. A committee of 10 members was formed for implementation for OBE. This committee held numerous meetings to deliberate on the implementation process. The process began with the defining of the graduate attributes in alignment with the mission and vision of the institution. Subsequently the programme objectives and the course specific objectives have been formulated. Concurrently course objectives and course outcome of each programme have been defined at the course level. Finally, the course outcomes are mapped with programme outcomes and intern programme outcomes are mapped with graduate attributes. Thus, OBE brings about change in curriculum design, teaching learning and assessment so as to meet the aspirations of higher education.

c) MOOCs

IQAC has initiated the process of enrolment into MOOCs (massive open online course). This academic year MOOCs from Edx and Swayam were embedded in the CBCS curriculum and students were encouraged to register for the courses under the guidance of faculty members. A number of students enrolled and completed MOOCs and the certification was accepted by the Examination department for academic credits.

d) Information Processing and Dissemination

IQAC in collaboration with the Total Quality Management Team works to collect information on various parameters such as Teaching and Learning, Research and Professional Practices, Graduation Outcome, Outreach and Perception, Student Progression in order to provide such collated data to bodies such as the NIRF and news magazines like India Today and Times of India.

e) Research Coordination

The IQAC also works tirelessly to assist the college in organizing seminars and workshops. The IQAC conceptualizes the themes for the year, suggests and finalizes resource persons and helps in inviting other colleges and universities and collaborating with them. It also helps the Research Center in publishing of research papers, and gives feedback about the

seminars in order to facilitate quality enhancement in future endeavours.

f) Collaborations

IQAC works with the TQM to facilitate collaborations with academic and professional institutions by holding preliminary meetings with the representatives of colleges, universities and professional bodies and mapping the nature of collaborations. This year IQAC worked towards signing of MoUs with Institute of Management Accountants (IMA), Seattle University and Concordia University. Along with this IQAC also worked towards collaborating with Universiti Putra Malaysia for exposure programmes.

g) Open House

The IQAC organized an Open House for the first-year students on 21st February, 2018 in order to give them a platform to share and express their thoughts and feelings. It allowed them to express their views, expectations and experiences with regard to the various aspects of life in college. The Open House focused on a number of topics ranging from students' overall learning experiences within the classrooms and also life beyond it in the spheres of extra and co-curricular activities, sports and so on.

h) Open House (Women)

The IQAC also organized an Open House specifically to cater to the girl students of SJCC on 22nd February, 2018. In addition to fulfilling the purpose of the Open House as mentioned above, it focused on understanding the experiences and concerns of the girl students in particular. It provided an unbiased, stress-free environment for them to talk about their college life, challenges they face and specific complaints or concerns they have. The open house operates with the aim of using this information to bring about gender equality and providing equal opportunities for men and women.

i) Exit Interview

The IQAC conducted Exit Interviews in the first week of March, 2018 for the outgoing final-year students. The purpose of these exit interviews is to obtain feedback from the outgoing batches about their experiences over the course of three years at SJCC. It aims to better understand their experiences and their suggestions on various subjects such as relevance of course material, experiences with placements, opportunities provided, sufficiency in terms of market requirements in today's world and so on. The IQAC desires to obtain such valuable information in order to allow for improvement in the relevant

areas of learning and such and to all the institution itself to move from strength to strength.

j) Staff Evaluation

The Institution believes that staff evaluation is an important measure to assess the degree of excellence of the work performed by the faculty members. The evaluation process is conducted periodically and coordinated by IQAC. The standard evaluation criterion is based on certain important parameters like planning and preparation for class; class room environment, and methodology of teaching among many others. The entire class participates in the assessment process. Staff Evaluations are subject to review by the Principal and the consolidated staff rating is discussed with the individual staff members by the Principal. The staff evaluation is centralized and is recorded online. The feedback facility has been introduced into the student login of the ERP systems which makes it easier for students to give their feedback on the various parameters of the Staff Performance Evaluation system.

St. Joseph's College of Commerce was for the first time accredited by NAAC in February, 2000 with a 5-star grade for a period of five years. Since then the college has been accredited in three cycles. In January, 2018, the fourth cycle was due and all preparations for submission of SSR were completed 6 months prior to the deadline to apply for the accreditation. However, with the release of the new guidelines of NAAC the college's third accreditation has been extended from five years to seven years due to continuous high grades in the previous accreditation cycles.

Student Accolades

St. Joseph's College of Commerce has always been committed to its students' learning and success. Educational processes and outcomes are aimed at transformational learning that supports its students' holistic development. Every student is an embodiment of courage and determination, with an unlimited storehouse of varied resources. Various opportunities in multiple fields have enabled students to utilize their multifaceted talents in the best possible way. The immense passion, zest and determination, has propelled students towards the peak of their capabilities. We would therefore, take this opportunity to applaud them on their various achievements and exceptional

accomplishments.

Innovation and Best Practices: Highlights of the Year

Each academic year SJCC aims to To enhance quality in higher education, it is mandatory to rigorously review and revive the existing academic and administrative practices. It includes innovation of ideas which could be successfully implemented into feasible practices to impart holistic education. Below listed are some of the best practices of this academic year:

a) Outcome Based Education

St. Joseph's College of Commerce has ventured into the model of Outcome Based Education (OBE), where, by the end of the educational experience, each student should have achieved the desired goal. Outcome-based education is an educational theory that focuses on setting academic goals and working towards achieving those goals in a systematic manner. The aim is to have each student achieve this predetermined goal by the end of the educational programme.

Significance of Outcome Based Education

- It requires to be clear, relevant and integrate the knowledge, skills and attitudes in desired learning
- To encourage clear focus on what the teacher wants students to know, understand and be able to do by the end of the academic experience

Comment [LC7]: Instead of highlighting the significance of OBE, examples should be given of the latest year of how this has been achieved.

- To design the curriculum with a clear definition of the intended outcomes that students are to achieve by the end of the program
- To establish high, challenging standards of performance in order to encourage students to engage deeply in what they are learning
- To provide expanded opportunities for all students equally Advantages of Outcome Based Education
- It is a completely learner centric method encouraging students learning achievements
- Teachers teach to increase the likelihood of most students achieving the outcomes
- There is clarity in terms of the end goal for the students and flexibility in the forms of teaching
- Assessment of how well outcomes have been achieved using appropriate assessment techniques
- Detailed, well-written learning outcomes or competence descriptors allow both teaching staff and learners to have a clear picture of the classroom behavior
- Provides adjusting teaching methods to facilitate the achievement of the stated objectives.

b) Dissent and Discuss

St. Joseph's College of Commerce believes that every individual has the right to express his/her thoughts. The institution attempts to inculcate a sense of realisation of such rights through its academic and co-curricular activities. Various associations and clubs of the Institution and discussion forums of the departments encourage students to engage in critical thinking, participate in a healthy debate and dialogue and develop a commitment to democratic way of life. The institution has made expression of dissent and participation in dialogue as the core values of its holistic education.

Comment [LC8]: Names of the forums and activities should be given ... as an example

Highlights

- To develop democratic thinking among students and teachers.
 - To train students in reflective thinking.
 - To inculcate the spirit of tolerance among students.

Advantages

- Enhances learning through interesting and interactive ways.
- Enables students to be more attentive and involved in discussions.
- Develops the rational and critical faculty of the students by striking a right balance between reactive and responsive modes of articulation.

c) Service-learning

One day in a month students of the college voluntarily take up the cleaning and maintenance work of the college campus and thereby relieving the house-keeping staff of their duty on that particular day. This voluntary service is inspired by the vision of the Jesuit education and motivated by the Principal's commitment to create an atmosphere of mutual respect and caring inside the campus. Apart from this, students learn about dignity of labour, develop an ability to empathize with others and develop humility in thought and action. The Student Council has taken up this initiative and encouraged students to be a part of it to promote a sense of belonging to the college and responsibility towards maintenance of cleanliness in the campus.

Highlights

- It widens the understanding of work ethics
- It strengthens managerial skills
 - It trains in community building
 - It liberates the mind from long-established prejudices.

Advantages:

- Strengthens mutual respect between students and support staff
- Inculcates the sense of responsibility among students
- Trains students in leadership and team building

d) Shared Teaching:

At St. Joseph's College of Commerce, Shared-Teaching has proven to be one of the best pedagogical approaches for deliberating lectures in classroom. Presence of two faculty members facilitates and multiplies learning capabilities of students by allowing the latter to access appropriate guidance within the stipulated time-frame of the curriculum.

Highlights:

- Promotes collaborated teaching pedagogy for better understanding and content delivery.
- Develops and inspires new research ideas and intellectual partnership among faculty.
- Provides mentoring opportunities between senior and junior faculty members.

Advantages:

- Widens the platform of knowledge exchange between faculty and students.
- Enables planning, alternating and interjecting strategies for effective content delivery.
- Improves student learning outcomes, interpersonal and communication skills.

Academic Excellence at SJCC

Choice Based Credit System (CBCS)

CBCS is a system implemented by the college which offers to the students a choice of courses tailored to their interests and career goals. It offers flexibility in terms of choosing papers and designing the curriculum and syllabus. The academic year 2017-18 saw several milestones being achieved, owing to the CBCS system implemented by the college.

- a) The number of electives offered by the college was increased from four to six in this academic year, widening the range of options available to the final year students. The two new subjects include International Business and Banking & Insurance.
- b) Open electives, a concept which was inculcated in the curriculum to enable the students to broaden their horizon beyond the world of commerce, is an interdisciplinary approach to education, which has resulted in the inclusion of subjects like Human Rights, Social Justice, etc.
- c) Massive Open Online Courses (MOOCs) is an alternative form of open elective offered to students. These MOOCs are free online courses which provide an affordable and flexible way to learn new skills, advance the students' careers and deliver quality educational experiences. In addition, MOOCs also enrich the students by providing International exposure through courses taught by world acclaimed lecturers from universities across the globe. These courses are availed by the students using the platforms, EdX and Swayam.
- d) CBCS has also enabled the college to incorporate 30-hours of compulsory lectures on

GST. A value added tax designed to replace all indirect taxes levied on commodities by the Central and State governments, the Goods and Service Tax, one of the most relevant and impactful concepts has been integrated into the syllabus to ensure that students are updated about the latest developments in the industry.

- e) Skill development is of paramount importance in an ever changing global environment. In order to provide the students with a competitive edge over their peers the college has incorporated skill based courses in the CBCS structure. The final year UG students do an elective specific skill based course of 60 hours carrying four credits. All the students undergo a mandatory 45 hours course in Excel, Tally and Advanced Excel. The BBA department's initiative – Josephite Business Club has a varied and extensive syllabus which aims to develop the interpersonal skills of the students within the CBCS framework. The B. Com department of the department encourages students to join and participate in toastmasters also as part of the curriculum. A mandatory social internship in the first year and a corporate internship in the second year adds greater value to the curriculum.
- f) A collaboration was struck between St. Joseph's College of Commerce and Ernst & Young (EY), one amongst the top 4 professional business consulting & management consulting firms globally, in order to bridge the gap between academia and the industry. This allows the students to develop their knowledge on a tax vertical as well as gain experience on a more global level.
- g) CBCS also provides flexibility for the M.Com (FA) students to pursue a 6 months internship, at various corporate houses which provides them with essential practical knowledge and experience of on-ground practices and procedures. This also facilitates easy transition of the students from college to the corporate sector.
- h) The college makes available to the students a wide range of Professional Certificate Courses. Students enrolled in the Certificate Program receive training and education from professional bodies such as IMS Proschool, ISTAR, ICICI and NSE. Association with professionals in the industry provides the students with a distinct advantage in their business careers.
- i) The CBCS system enables and encourages students to participate in diverse extension and association activities prevalent in the institution. Every student in the college must ensure a compulsory contribution of 60 hours towards such activities. Therefore, students benefit from a broad and holistic education, coupled with in-depth exposure to specific academic disciplines.

Examination and Evaluation

The Institution perseveres to evaluate the academic excellence which nonetheless is

always at par with the community involvement and leadership qualities of the students. Examination processes which are time-tested with their proven effects are employed to mark the levels of knowledge acquisition. Grades are but a humble measure of the efforts in this endeavour.

As an autonomous institution, SJCC is endowed with the freedom to improvise systems of assessments. Therefore, it engages in a holistic and reflective interdisciplinary approach to education through which students are prepared around the year with activity based classroom teaching and exposure to empirical knowledge that extends beyond books.

The Examination Department has been consistently striving to reform the examination system. With the implementation of the Continuous Internal Assessment (CIA) it has been proven to be one of the best ways of evaluating the learning outcomes of the students. Students can individually approach the faculty for specific learning requirements. Besides, the CIA provides a flexible space to the faculty for helping students improve their grades impacting the End Semester Examination scores effectively.

This year again the Examination Department has added a few more new quality enhancing practices:

- a) Learning Management System has been utilized to conduct Mid Term Retests in order make the examination process efficient and less time consuming.
- b) The design and format of Marks Card has been updated with ten security features.
- c) Examination Calendar has been included in the Student Handbook for greater clarity with regard to dates of examination.

The Department employs objective evaluative methods and endeavours to maintain transparency in evaluation processes. The performance of our students both at UG and PG level has been outstanding and reflective of the Institution's efforts to deliver academic excellence.

The open house gave an opportunity for the parents of the students to voice out their opinions and enquiries.

Professional Certification Programmes

Professional Certification Programmes are an integral part of the academics in the college. The proposals for these programmes are invited well before the academic year which is then scrutinized by an expert committee in order to select the best and most relevant programmes that can be offered to students. Apart from this the college designs a number of certification programmes which are offered alongside the accepted proposals. Besides their abilities of grasping classroom teachings, these programmes are designed to encourage amongst students the desire for learning and expanding their capacities. Certification Programmes, in addition to the acquired undergraduate degrees, would augment the profiles highlighting their explicit competencies that make them fit for competitive and challenging roles in the industry.

The unique feature of these Certification Programmes is that the students are exposed to a wider opportunity of prioritising their learning based on their preferences. The range of the Certification Programmes stretches beyond the specific realms of commerce and management studies as it involves building pragmatic approaches in students through firm philosophical manoeuvrings and using theatre as a significant andragogical tool of self-discovery.

This year fifteen Professional Certification Programmes were offered to the students.

The lecturers Dr. Sosa and Dr. Thomas each taught the various modules of the courses including topics such as Game Theory, Business Strategy, Strategy Implementation and Organizational Systems. The class mentor, Dr. Millington added a youthful vibe to her classes. The classroom was a composite of students from the Philippines, the United States, Spain, Italy, Australia and Thailand.

Students of SJCC were invited to a weekend trip to Swansea University in Wales, also a partner institution of SJCC. As student ambassadors, the students were hosted and shown around by Ms. Shanaz Rahman of Swansea University. The beauty of Wales was amplified by the annual air show on the beaches of Swansea that the students were fortunate to witness.

b) International Immersion Programme- Malaysia

The International Immersion Programme-Malaysia was coordinated by Envisage Global

Education Trust. Six students from the college visited Putra Business School, Malaysia for a week long programme which started on November 4. The objective of the tour was to give global exposure to the students by placing them in a different ecosystem and an industrial world aiming also to bridge cross-cultural experiences in students. Besides these, the tour also widened the student opportunities to interact with the senior management professionals from international companies. The tour was coordinated by Envisage Global Education Trust.

c) Cultural Exchange Programme – Japan 2017

SJCC conducted its eighth student cultural exchange programme with Kobe College, Japan. On September 1, 16 students accompanied by two faculty members from Kobe College arrived at SJCC. SJCC faculty members Mr. Vinay Kampibura and Mr. Gladson gave a talk on the caste system and the Indian society that ended with an interactive session. The occasion was graced by the Consul General of Japan in Bengaluru Mr. Takayuki Kitagawa who delivered a special lecture on “Origin of Caste System” in the evening drawing his resources primarily from the Japanese books written on India. The Japanese students expressed their desire to know more about stereotyping based on caste system and were amazed at the responses given by the students and the staff of the college based on their real life experiences which authenticated the impacts of gender and caste discrimination found in the Indian societies. On September 2, an expedition to Anekal was conducted which gave the students an exposure to rural life including the impact of microfinance on making rural women self-employed. The village visit also included interactions with women of various age groups. This brought to the fore the significant changes in the outlook of the women towards their lives. The lunch at the children’s hostel run by the Jesuits housing around 35-50 young girls gave them an exuberant moment to refresh and rejoice their visit.

Students from SJCC visited Kobe College, Japan in the month of October 2017. The programme was spearheaded by the objective of exposing the students to different cultural and economic diversities which also aimed at enriching relationships between Japan and India. Three students from the college were accompanied by Ms. Sneha Rai to Kobe College on 26 October, 2017. On reaching Japan, the students had their first lesson on Japanese calligraphy followed by visits to places like foreigner’s colony in Kitano, Kobe, Arashiyama, Kyoto, famous China town, Nissin ramen museum, Kinkakuji- Kyoto-shi, to the Himeji castle. The Japanese students were given presentations on Indian

women, multiculturalism and the Indian economy. The last leg of their trip was a visit to a shinto temple called mondo yakujin toukoiji- one of the three gods of disaster.

d) Visit from School of Nieuwegein, Netherlands

Students of Anna van Rijn School of Nieuwegein, Netherlands visited the college on 3 February, 2018. After a brief formal welcome to the students, the Student Council conducted a few icebreaker games to give the students a touch of the Indian culture and lifestyle that also was directed to show the adolescent life in India.

The faculty of the college gave a short lecture on the socio- economic conditions in India ranging from women empowerment, poverty, and employment issues to draw the attention towards the 21st century scenario of the country. After this, the management of SJCC conveyed a final welcome to the Dutch students and their faculty and discussed on the path ahead to deliberate the future collaboration between SJCC and Anna van Rijn School and also looking forward to hosting them again in the coming years.

International Collaborations

St. Joseph's College of Commerce signed a MoU with Concordia College, New York on 14th February, 2018 with intent to develop a long term mutually beneficial relationship whereby students of SJCC, Bangalore may be eligible to enrol and participate in a transfer undergraduate degree programme of academic study at Concordia. students' acquired knowledge with their numerous latent potentials uniquely preparing them to face the challenges of the world outside.

The simple lecture method predominantly gains a new impetus with a fine blend of traditional and innovative methods of teaching and learning. The teacher facilitates classroom learning by inspiring and encouraging students to initiate and engage themselves into various discourses pertaining to their respective subjects. As mentors, the teachers involve themselves in activities like conducting subject specific research for students, organising simulation games, initiating role plays, guiding case study analyses, joining for rural camps, engaging in other rural exposure programmes, accompanying students for social and industrial visits, supporting internship and articleship programmes which are among the many innovative pedagogical methods adopted by the institution.

Shared Teaching

The Institution adopts shared teaching for a few undergraduate course lectures. Shared teaching boasts many pedagogical and intellectual advantages: it creates a dynamic and interactive learning environment, provides faculty with a useful way of modelling thinking within or across disciplines and also inspires new research ideas. Two faculty members handle one course and both are responsible for planning and for execution of the lesson plan. Both the faculty are actively involved in class and engage in conversation with the class to encourage discussion by the students. Students also receive individual attention and help in this method of teaching.

In the coming academic year, the centre intends to work towards the e-ISSN number for the journal and initiate its processes for indexing under ICI. To make the editorial process more effective, the centre is also set to launch the Electronic Editorial Process based on Open Journal Systems (OJS). The centre also looks forward to organise funded Workshop / Capacity Building Programs in collaboration with ICSSR, UGC and Ministry of Minority Affairs. To encourage and motivate the students, the centre has also decided to start a Mini Research Project Scheme.

Seminars and Conferences

a) National Seminar: Banking on the Future: Vision 2020”

The post-graduate department organized a one-day national-level seminar, ‘Banking on the Future: Vision 2020’ on the 22nd of September, 2017. Attended by eminent individuals in the banking sector, the seminar focused on the significance and need of the banking and regulatory powers of the RBI and disruption due to digitization as highlighted in Shri K.S Praveen’s keynote address. Further technical sessions followed – the first, conducted by Sri Premanath Murthy touched upon impact of blockchain and cryptocurrency on banking. In the second, Mr. Babu Jayandran focused on the use of artificial intelligence in digital banking. The final technical session was a panel discussion centered around topics such as loan fraud, cyber-crime, risk management, technological advancement and the importance of data in the future. Two special editions of journals were released in collaboration with the Primax International Journal of Commerce and Management Research (PIJCMR) and Emperor International Journal of Finance and Management, UGC Listed Journal 45308.

b) National Seminar: Democracy, Education and Nationalist Discourses- Towards a Critical Engagement

The One Day National Seminar titled “Democracy, Education and Nationalist Discourses-Towards a Critical Engagement” was organized by Department of English in collaboration with Department of Kannada on 4th December 2017. It was organized with the objective of generating newer and viable responses to the challenges we face as a society today. This seminar was a forum for scholars, professionals and academicians to critically engage with the emerging challenges in our socio-cultural and political main line. The seminar witnessed nearly 70 participants from different institutes of India for English as well as Kannada paper presentations. The papers presented in the seminar covered a wide variety of topics pertaining to the nature of nationalism, the dynamics of identity and the ongoing reconfigurations in the realm of higher education.

c) National Seminar: Teachers and Patents – Negotiating the world of Intellectual Property Rights

The Internal Quality Assurance Cell (IQAC) had organized an interactive seminar entitled ‘Teachers and Patents – Negotiating the world of Intellectual Property Rights’ on December 19, 2017. The seminar aimed at bringing awareness about the power of ideas among the academia and the growing need to protect them in today’s world. The keynote session was presided over by Dr. M Kantha Babu who introduced the concepts of intellectual property rights, highlighting certain key aspects like patentability criteria and consequences of infringement.

The technical sessions focused at on the world of intellectual property rights covering the significance of ideas and the power within them which calls forth for their protection. The sessions focused largely on patents, trademarks and various ways of protecting an individual’s work, and touching particularly on the aspects of undertakings, their importance, limitations, highlighting the key trends in patent application. The later technical sessions concentrated on patent classification, searching methods, optimizing prior-art search, demonstrating on the usage of patent search engines which are essential to protecting one’s intellectual property. The final session was demonstrative.

d) National Conference: Fintech Ecosystems – Transformation and Market Dynamics

The Department of Commerce organized a two-day National Conference on Fintech on the 2nd and 3rd of February, 2018. The national conference was organized in collaboration with ISDC. The conference aimed at approaching the institutionalization of Fintech through critical and analytical advances, rendering possible pathways to raise standards of financial growth and management of financial

infrastructure. The various sessions conducted over the course of the two days revolved around topics such as 'Use of satellites and large area analytics for financing and insuring agriculture', 'Role of cognition and artificial intelligence in finance and other business domains', 'Application of blockchain in banking and financial services' and 'FinTech – The game changer of financial services industry – challenges and opportunities'. Besides providing expert insights into the impact of financial technologies on the markets, discussions were held on the various aspects of financial service technologies. The conference concluded with paper presentations on issues discussed in the technical sessions.

Student Involvement in Research

The college strives to inculcate a research culture among students by organizing special workshops and encouraging [students- them](#) to take up independent research projects based on their natural curiosity. This year a special emphasis has been given by all the departments to promote research culture among students.

Student involvement in research not only prepares them for further studies but also enables them to gain a better understanding of concepts and ideas.

a) Mainframe Research Forum

Mainframe Research Forum is an initiative by the B.Com Department to encourage research culture among the undergraduate students of St. Joseph's College of Commerce. Under the guidance of Ms.Veenu Joy, the Head of the Department of Commerce, the forum kick started its activities in the month of July and has received a positive response from the students.

Comment [LC23]: The forum encouraged research related activities and received an overwhelming response from students.

The candidates are free to choose their research topics, and thus, are free to gain valuable insight and statistics on their interests. These research activities are finally presented in 'Rendition', a paper presentation platform of Mainframe. An assessment of the candidates' year-long research conclusions is made and feedback is provided. Rendition witnessed a presentation of thirteen papers with topics ranging from social issues like Waste management, Cognitive studies like music to commerce and financial topics like GST, Demonetization and Cryptocurrencies. This event was coordinated by Ms. Nischitha and the paper presentations was judged by Dr. Raja Jebasingh (internal) and Mr Balaji A (external). Students were not only appreciated for their work but were also motivated and encouraged to present more papers. The department extended their help to students to do better and achieve more.

Comment [LC24]: The paragraph should be written in past tense

b) Erudition – National Level Case Study Competition

The inaugural edition of "Erudition", the National Case Study competition took place on the 9th of February. This competition revolved around areas such as Audit & Assurance, Taxation, Risk Management, Financial Management, and also Corporate Governance. The competition enabled the participants to acquire an insight into the dynamics of strategy and executive decision making at the corporate level. In addition to this, exposure to the financial sector, and being equipped with essential skills to flourish in the current business environment behaved added as a plus point to for the participants.

c) Agamya

On the 8th of February, 2018, the Post Graduate Department organized Agamya, a one-day national-level seminar. The objective of the seminar was to provide opportunities to students in the post-graduate department pursuing their master's to present their case studies and research projects in relation to the theme "Kaledioscope – Evolution,

Transition and Innovation of Business Practices". Out of the total number of submissions, 21 were selected for publication after undergoing rigorous peer review process. Besides providing this platform to the students to present research papers, keynote speaker Ms. Anapoorna A also provided valuable insight into the evolution of technology and its impact on human beings in an interactive session.

d) Experiential Training Process

A one-week training programme was being conducted for the second year M. Com students from 3rd to 15th July. The main objective of this programme was to prepare students to write their dissertation. The sessions were conducted by ~~our own faculty members~~— Dr Raja Jeba Singh, Dr Himachalapathy R, Dr Deepika, Dr Ram and Dr Hariharan. The topics were ~~covered~~discussed by them included Starting a Research, the Research Problem, Review of Literature, the tools to be used, and importance of SPSS Software. The five-day training programme provided some very helpful information to the students who took their first step towards preparing their dissertation.

e) Seminar on Writing Research Paper

A one-day workshop on "How to write Research paper" was organized for the first year PG students on 17th and 18th of August. The workshop was conducted by Dr. N Ramchandra. He spoke about different types of research papers such as conference papers, Journal papers, Term papers, Seminar papers, Technical papers, Transaction and patents which was followed by orienting students with step by step process, governing every research paper in detail, and kept reiterating the importance of following of these steps. Students were also oriented about the basic guidelines for contribution to research journals publication followed by analysis of the problem statement and the literature review process and about the online journals available.

f) Nirmana

Nirmana, a one-day state level workshop on 'Research for Management Studies' was conducted for the BBA students on the 12th of September, 2017. It comprised three sessions which were presided over by Dr. Bhaskaran, Mr. Manjunath and Mr. Srinidhi

respectively.

These sessions not only shed light on the need and importance of research but also various technical aspects of research such as data collection. ~~The workshop proved to be an extremely enlightening and useful for the students.~~ Not only did it provide the students with the tools ~~that are~~ necessary ~~to successfully~~ write a research papers but also enabled them to fully and coherently understand the intricacies of the same.

Student Community at SJCC

Student Support

Student support and progression is one of the core criterions that the Institution strives to attain through its educational pursuits and extracurricular activities. All through its diversified programmes and ventures, it aims to drive students' passion and intellectual curiosity towards their subjects of interests. In the attainment of the said goal, the Institution practices and has laid out a diversified student support and progression framework that greatly motivates and nurtures students' educational endeavours. To meet the demand for holistic education pedagogy, the Institution has framed mentorship programmes, workshops, pre-placement support and guidance aid amongst many others.

The Institution also seeks to provide an environment which is supportive of students from disadvantaged backgrounds by granting them financial aids and scholarships. Students with certain disabilities are also given additional help through individual tutoring and remedial classes. Confidential counselling sessions are organized to improve the mental health and well-being of students. It is the unequivocal belief of the Institution that these measures will not only support the growth of students in all spheres of life but also effectively see them successful through various challenges.

Orientation Programmes

The orientation programmes organized for all the incoming students included special presentations and interactive sessions with senior students to introduce them to life at college, orient them towards the rules, regulations and policies of the college and to introduce them to the culture of St. Joseph's College of Commerce. Along with this the

students were also oriented about the curriculum, examination and evaluation process and the host of opportunities available to students to nurture their abilities, talents and skills. The B. Com department conducted its orientation programme 'Blend' on the 19th, 20th and 21st of June, 2017. The BBA department conducted its orientation programme 'Commixture' on 3rd of June, 2017 and the Post-graduate department on the 5th of June, 2017.

Buddy Programme

This academic year saw the introduction of the buddy programme with a view to provide academic assistance to students. This initiative works by identifying students who need academic support and assigning students who can extend such academic support. The one-on-one model allows for greater attention and personalized help to the students. This also encourages the students to engage in peer learning.

Holistic Development of Students

a) Counselling Service

St Joseph's College Of Commerce, stresses on the holistic and integrated development of the students, by providing them with appropriate guidance and assistance, to facilitate their fluent transition from school to college life. The goal of the institution is to help students become the best version of themselves. The counselling department of the College aims at providing the students with emotional, mental and spiritual support, in addition to academics.

The department performs the following functions:

- a) Personal counselling/therapy – Through the week counsellors meet students for one-on-one therapy sessions. This is provided to the students to help them deal with whatever issue they may be facing. It provides a safe space for students to express themselves and be heard. Strict confidentiality is maintained by the counsellors.
Issues relating to adjustment, relationships, friendships, family, academics, abuse, trauma, loss/grief, time management, etc. are all dealt with.
- b) HRD classes – These are classes focused on helping students become more aware of themselves and the people around them, thereby improving their relationships and

interactions. The topics chosen for the class are related to issues that the students are most likely to face at this stage of life and in the future as well. Movies, videos, group activities, PPTs, real life examples are used to enhance their learning.

Some of the topics covered are self-esteem, peer-pressure, emotional intelligence, anger management, relationships, managing fear, sexual intelligence, etc. In addition, experts of the field are invited to speak to the students on topics like addictions, harassment, suicide, etc.

- c) Scholarships – Every year financially weak students are provided with scholarships. The counselling department does an in-depth check of the student's background to make sure the deserving students are selected, based on their background as well as academic performance.
- d) The department keeps track of academic performance and attendance of the students. Special attention is given to students with problems regarding academics and attendance, and parents are contacted when needed.

b) Mentorship Programme

"A mentor is someone who allows you to see the hope inside yourself", Oprah Winfrey.

Mentoring is most often defined as a professional relationship in which a mentor assists a student in developing specific skills and knowledge that will enhance their strengths, professional and personal growth for the future. A mentor also provides feedback and guidance for the overall development of the mentee.

Comment [LC25]: In a report, defining and explaining a mentor's role is insignificant.

Mentoring is useful, during their three-year journey of under-graduation, since students are navigating through college life, social life, career paths and working towards forming a more independent life. These years will contain some of their most memorable moments.

An efficient mentoring system has shown to be quite beneficial to the students' overall performance. It works as a support system for them and provides comfort as they know that there is someone they can turn to if they face any trouble, be it academic, co-curricular or personal.

Here at St. Joseph's College of Commerce, every first year class is assigned two mentors (about 40 students to each mentor). The mentors take time to meet each student and help them with their concerns. Through this, mentors are able to assess the student's condition on a more personal level and help or guide them where necessary.

Mentors keep an 'Open hour' every week for meeting the students. They keep a track of academic performance, leave records and meet with parents when required. In addition, they educate the students about the college rules and facilities that they can avail.

A student file is maintained by the mentors, consisting of the name and details of the students and is kept up-to-date. This file is passed on to the teachers that handle the class in the following years.

Scholarship Awards

The College believes in inclusive education and equal opportunities for all. In order to realize this objective, the College Management has a number of scholarship schemes for students who require financial assistance. These scholarships are provided to students who excel in academics, co-curricular activities and sports. The amount disbursed for scholarships by the college management in the academic year 2016-17 is Rs. 27,00,000. Apart from this the Alumni Association of the college supports the students in the form of scholarships and awards. The total amount disbursed by the Alumni Association towards this is Rs. 2,51,400. In addition to scholarships the college also provides mid-day meals deserving students and support staff.

Student Academic Support

a) Bridge Courses

Bridge course is an online refresher course comprising videos of Preliminary and Advanced Mathematics modules. The idea of this course is to orient newly admitted first year students who've opted out of Mathematics during their high school so as to be on par with their future understanding and knowledge of the particular subject. Over 300 students underwent self-learning within the given deadline 10th July, 2017 post which a test was administered to evaluate the general understanding of the students and their improvement over the period of the course.

b) Guest lectures

The institution realizes the value addition that is possible through lectures of scholars in other colleges, universities and experts from industry and professional bodies. Hence it invites several distinguished personalities, field experts and scholars to address the students on their area of expertise. These guest lectures are inspiring, informative and give the students an opportunity to broaden their perceptions and go beyond the

confines of the curriculum. Students become cognizant of new ideas, thoughts and concepts. The following guest lecturers were conducted during the academic year 2017-18.

boons of technology to share and express ideas in their best forms.

i-Pitch is the first international inter-collegiate Business Plan competition, and included twenty participants from universities situated in twelve different countries across the globe. The event was conducted via conference video calling.

Participants from across more than 15 prestigious universities across the world including University of British Columbia, UC Berkley and Singapore Institute of Management presented their business ideas, some in the initial stages of planning, whilst the other ideas were already under operation. Each contestant's Business plan was carefully assessed and evaluated by the judges, and the contestants were asked multiple questions, which put to test their background knowledge in their area of expertise and interest. Most of the plans submitted seemed to promote an objective of equal socio-economic development, and many were centered around social causes.

i-Pitch promises to be an annual event, and with the success of its first edition, the department is encouraged to take it to greater heights and make it an even bigger event in the years to come. The support of the staff and the determination of the students was what allowed the event to take fruition, and the department has showed its ability to spread a sense of entrepreneurial spirit.

Colosseum

Colosseum provides a platform to identify crucial developments in the economy and present it to students to keep them aware of the current economic scenario. SJCC has a cultural conglomeration of students who need to be prepared to face the challenges of the ever challenging world we live in today. Among all the students, talents and accolades, a certain skill set requires undivided attention, i.e., the ability to put thoughts into words, in a way that is understood, and encourage critical thinking, especially about current affairs and inculcate the culture of questioning and research among students. This will encourage students to improve their comprehension about-of the subject beyond the confines of the classroom. The programme will have trained guides to help bring out the best in each participant.

Three students of the B.Com department under this initiate visited the classes to talk about the art of philanthropy. Their aim was to burst myths about the topic and provide more information about it. As part of this students were able to collect money to support the education of two girl students belonging to the devadasi community in Mundgod.

Lakshya

The department of Commerce –SJCC, conducted Lakshya on 23rd February 2018 as an initiative to sensitize the youth and bring about a solution to the alarming garbage menace in our city and the open dumping of garbage in villages around Doddaballapur. In order to get the best outcomes from the talented student community, festing featuring events and platforms like social media were used. With the central theme of “garbage”, events like photograph artwork, short film-making filmmaking and Business plan were conducted. With participation from enthusiastic students from VIT, Loyola College (Chennai), Christ etc., the fest successfully started a new awareness wave among the student community across the country.

Mr.Sandeep Anirudhan was the chief guest for the day, while addressing the gathering, a few thought provoking questions were asked and eye opening points were made. References were made to the economic aspect of garbage as a resource, adapting to disposables and taking initiative and responsibility. In conclusion, it wasn't only about practicing but also talking about it and spreading awareness so that a ripple effect can be created and the society at large is benefitted.

After the events, an interactive session was conducted for participants of all events and organizers. The peculiarities like, integrating a social cause and plan with business plan were appreciated. The discussion witnessed two major take-away, which are, for successful smart city projects the main consideration should be the villages around it, and how to make conscious decisions where garbage is concerned. The event concluded with Valedictory.

m) Sanyog

In recognition of International Mother Languages Day on the 21st of February, the alumni from St. Xavier's, Kolkata reached out to us requesting a platform to showcase the importance of mother languages around the country. The programme included performances by the cultural team showcasing all the popular mother languages of the country, the facilitation of faculty member, Mr. Lavakumar for his contribution in spreading the usage of Kannada and a performance by the students of St. Xavier's, Kolkata.

n) OSA Debate

The Old Students Association (OSA) of SJCC conducted their annual debate again this year. The debate consisted of three rounds namely- The Written Round Prelim, The Verbal Prelim and The Final Round. The final round was on the topic "Crypto currency: The currency of the future". All the participants presented valuable points and their passion to debate could be very clearly seen. They also received valuable criticism from the judges.

o) Valedictory

The valedictory ceremony marks the closing of all the college activities for the academic year 2017-18. Dr. M Ramachandra Gowda, Registrar, BCU, was the chief guest for this occasion. The parents of the valedictorians of the Student Council, Department Coordinators, Association Heads and Class Representatives also joined the proceedings. The chief guest addressed

the gathering and gave an insight to the audience about the importance of hard work and commitment. The principal addressed the gathering and participated in the symbolic handing over of the flag.

Business and Cultural Fests

Virtuoso 3.0

Virtuoso 3.0 organized by the BBA Department witnessed participation from a number of colleges. The unique feature about-of this particular Business fest was that the rounds were held and was in-on the premises of the companies giving the participants an exposure to the real-life scenario of the corporate world.

True to its theme 'A Twist of Reality', the participants had to envision a company from scratch and then merge with one of their competitors successfully. The participants were sent to companies which specialize in different disciplines of Business such as Marketing, Finance, Human Resources, Public relations and Operations. One of the companies that hosted the rounds was Synopsys, a sister company of Hewlett Packard (HP). The fest was an overall success with more than 15 colleges taking part in the same.

Turas

Turas is the B.Com Travel & Tourism department's annual fest. The unique features of the fest were Cyclothon, The Agent, Travel Quiz, Manekya The Red Quest aka The Amazing Race, and Virtual Wars. The events saw participation from various colleges from across the city. All the events with the exception of the Amazing Race and the 2nd round of the Agent, took place within the college itself.

The Galactic Explorer was an exhibition that hosts an opportunity for our little astronauts to explore a never ending mysterious Milky-way Galaxy utilising the planetarium domes. Children from government schools were invited to witness the exhibition and expand their knowledge beyond text-books-textbooks by giving them a visual insight into what space and the solar system looks like an indoor planetarium in the college.

Enact

Hashmi Theatre Forum hosted ENACT 2018, an inter-collegiate theatre fest on 19th and 20th February, 2018. The Hashmi Theatre Forum showcased two of their productions: "Too Much of a Woman" (Kannada) and "Woyzeck" (English). The fest witnessed performances from both urban and rural colleges. Along with the competition from proscenium plays street theatre was also given prominence. The fest gave a platform to showcase the creative, dramatic talents for the students. A special performance of 'Doddada', a folk theatre form, was performed by a theatre team from Dharwad.

Parent-Teacher Meeting

St. Joseph's College of Commerce has experienced an unending support from parent collaborators over the years, in nurturing and grooming the students to be better human beings. The Parents Teachers meeting is an opportunity for parents to understand the academic, behavioural, and social well-being of the students/wards and clarify any concerns regarding the same.

All parents of first-year students were invited to the meeting on 16th and 19th August where mentors discussed the student's attendance and mid-term examination performance details with them, following which parents were requested to fill up a feedback form about the institution with the intention of obtaining a better understanding of parents' expectations from the institution.

A parents- teachers meeting for the shortlisted second year and third year students (having attendance shortage (below 75%) and backlogs in End Semester Exams) was conducted on 23th 23 rd August and 30th August respectively to help parents keep a closer track of the academic performance of their wards.

Campus Ministry

The objective of catering to the spiritual needs of the students, the campus ministry strives to impart the philosophy of St. Ignatius – "Find God in all things". The importance of the campus ministry is only heightened in this time marked by significant adversity. Some of the initiatives of the campus ministry include:

1. Retreat for catholic students in campus

A two-day retreat for catholic students was organized on campus by Ms Christina to get students closer to their Faith and to God.

2. Faith formation classes

To foster a personality of spirituality, and to carry on the Jesuit motto of 'creating men and women for others', the Institution takes part in regular Faith Formation classes. These classes aim to build a stronger soul of faith with interactions based on prayer filled talks, discussions on the Word of God, and also communication of real life experiences.

3. Eucharistic Celebrations

Monthly Eucharistic Masses are celebrated on the first Friday of each month to bring the Catholic family closer together. These masses help the students to interconnect the

Gospels with their own life and are reaffirmed into their religious calling. Christmas is one of the biggest celebrations in of the college. The Catholic students and staff came together for Eucharistic celebrations to commemorate the birth of Jesus. This year there was a live tabloid of the nativity scene following which there was a distribution of cake and chocolate among the gathering. Every Friday during the lunch break, Catholic students and staff come together to relive the stations of the cross and prepare ourselves for the Lenten season.

4. Ignatius Feast

To build a character of service and charity is the central idea of St. Ignatius of Loyola, all to be done 'for the greater glory of God'. For this purpose, the Ignatian Mass is accompanied by various events such as the Ignatian Quiz, where the students learn more about the dear founder.

5. Gospel Concert

For the first time in the history of the college, a Gospel Concert was organized. The Gospel concert was conducted by Yeshuwa Ministries. A Hillsong speaker Mr. Biju Thampi preached about repentance from our sins followed by prayer, praise and worship. The concert saw not only the youth gathering but also parents and others from various parishes, thus making the event a success.

Social Sector Internship

The Institution is committed towards upliftment of the marginalised and weaker sections of the society. It is towards this commitment and faith that the Institution encourages its students to work along with NGOs and with non –profit organizations in India, who work in different fields for the cause of the underprivileged. Students take up social internships as it helps to portray their leadership skills and develop their ability to make a change in society. Some of the NGOs and organizations where our students have contributed to the cause are CARE, Akshayapatra, Bosco, Old age homes, primary schools in slums etc.

The B.Com Travel and Tourism Department collaborated with two nationally acclaimed

NGO's called "U&I" and for the first year students as a part of their social internship programme. The Institution signed the memorandum of understanding with both the organizations and students volunteered to work with them for a period of nine months. Both U&I and Bhumi focus on teaching and assisting underprivileged and orphan children across the city. The idea of [the](#) social internship is to augment the Josephite motto of creating men and women for others. By undertaking such social programmes, students become aware of some of the pressing concerns of society and work towards serving the country at large.

Industrial Visits

Classroom teaching-learning process becomes meaningful and effective only when students get an interface in order to understand the functioning of the industry. SJCC believes learning is effective when supplemented with programmes which focus and also traverse beyond the syllabus and curriculum. Industrial visits are an efficient way of exposing students to the nature of corporate and industrial practices. Industrial visits are organized for all classes in the academic year by their class mentors.

National & International Exposure Programmes

a) Visit to Rajasthan

On an annual trip spanning eight days beginning on the 26th of October, the students of the B. Com Travel & Tourism course travelled to Rajasthan. Rajasthan was selected as it fit in perfectly with this year's theme of 'Heritage Tourism'. The students were provided with first-hand experience with regard to topics and concepts discussed in the programme over the course of the trip. It focused on exposing students to the culture of the places visited, providing knowledge on how tours are planned and executed and other various aspects of tourism as they visited close to six cities in this endeavour.

b) Visit to South India

Over the course of five days, the students of the B. Com Travel & Tourism course participated in an annual field visit organized with a view to learn about the destination, state culture and how tours are organized. The trip was based on visiting various heritage and cultural sites. Destinations visited included Trivandrum where they visited Kovalam Beach and other local attractions before moving to Kanyakumari where they visited the Vivekananda Rock and other attractions. The trip itself was very insightful and a great learning experience not only in terms of understanding cultural diversity but also in getting an insight into how the travel and tourism sector functions.

c) International Visits BBA

The BBA Department, with the objective of exposing its students to the industry, education systems, infrastructure and diverse cultures, drawing special reference to the subject "International Business", organized an international industrial tour during the semester break. This year's trip had 90 2nd and 3rd year students touring Germany, Czech Republic, Austria, Switzerland and Italy, accompanied by the faculty members. The trip included visits to the BMW Welt and Museum, Old Town Square in the Czech Republic, Skoda Car Factory among others. Students also visited Munich Business School where they made a presentation about the education system in India and also attended a lecture on 'Business Culture in Germany'. The International industrial visit was indeed a fun-filled and a knowledgeable trip culminating in a fantastic experience. The students not only visited some really incredible and marvellous places but also got an excellent opportunity to bond well with friends.

B.Com

On the 27th of November, 80 students left to traverse through the antiquity and cultures of Spain and the scenic beauty of Portugal. The trip began in Madrid, the city of elegant boulevards and expansive, manicured parks, also known for its football fanatics. Then the students went to Badajoz; Lisbon, the breath taking capital of Portugal; Seville which offered us with extensive history and heritage; Granada, known for grand examples of medieval architecture dating to the Moorish occupation, especially the Alhambra. These visits educated the students with the local culture, heritage and Muslim and Christian architecture. Other places visited include Valencia, City of Arts and Sciences, Barcelona,

capital and largest city of Catalonia which is house to the architectural works of Antoni Gaudí. This trip was an invigorating and educative experience.

International Immersion Programme, Malaysia

The International Immersion Programme-Malaysia was coordinated by Envisage Global Education Trust. Six students from the college visited Putra Business School, Malaysia for a week long programme which started on November 4. The objective of the tour was to give global exposure to the students by placing them in a different ecosystem and an industrial world aiming also to bridge cross-cultural experiences in students. Besides these, the tour also widened the student opportunities to interact with the senior management professionals from international companies. The tour was coordinated by Envisage Global Education Trust.

Visit to Kobe College, Japan

Students from SJCC visited Kobe College, Japan in the month of October 2017. The programme was spearheaded by the objective of exposing the students to different cultural and economic diversities which also aimed at enriching relationships between Japan and India. Three students from the college were accompanied by Ms. Sneha Rai to Kobe College on 26 October, 2017. On reaching Japan, the students had their first lesson on Japanese calligraphy followed by visits to places like foreigner's colony in Kitano, Kobe, Arashiyama, Kyoto, famous China town, Nissin ramen museum, Kinkakuji-Kyoto-shi, to the Himeji castle. The Japanese students were given presentations on Indian women, multiculturalism and the Indian economy. The last leg of their trip was a visit to a shinto temple called mondo yakujin toukouji-one of the three gods of disaster.

Traffic Awareness

With the Traffic Awareness drives, students assist Traffic Police Officers [to](#) maintain a smooth flow of traffic at signals around Bengaluru's Central Business District. This not

only increases awareness in the students of just how much training and effort goes into managing traffic, but also works to increase awareness in them of responsible driving and riding on the roads.

Braille Book Editing

The Braille Book Editing is organised by MitraJyothi, a trust that has been working for people with disability since 1990. MitraJyothi runs a Braille Transcription Centre which converts books of various languages to the Braille format. This centre is supported by the Government of India under the Ministry of Social Justice and Empowerment, in collaboration with the NIVH, Dehradun. The students help with the conversion of books, magazines and textbooks to electronic format which is then printed in the Braille format for the benefit of those with impaired vision. The second year PG students were involved in training and editing grad 4th to 10th standard textbooks for the visually impaired children and for their library and completed editing 33 books in a limited period of time.

Comment [LC33]: Mitra Jyothi is two or one word? check

Rural Camps

The rural camps at Manvi, Pannur and Solur included activities for the holistic development of students and bringing in a few limited changes in the lives of the rural people. The students' interaction with the villagers exposed them to the daily lifestyle, social and economic conditions of the villagers. The students informed villagers about the basic human rights and the facilities provided by the Governments, both from Centre as well as State. They delivered the information through plays enacted out to the villagers. Such interfaces with the villagers helped in sensitising social concern towards the oppressed. The students also learned Village Resource mapping, in Pannur revamped roads and bridges which connected 15 villages.

Charitable Home Visits

The Charitable Home Visits opened the eyes and hearts of the students to the hardships and challenges faced by the less fortunate margins of society. It gives them the opportunity to give back to society by extending a helping hand in orphanages, old age homes and government schools.

Comment [LC35]: Less privilege section of the society.

Cleanliness Drives

The Cleanliness Drives give them the opportunity to participate in large scale clean-ups of heritage sites areas in Bengaluru, further instilling the importance of cleanliness and the citizen's role in ensuring a healthy environment to co-exist in. With the state of

cleanliness in our cities not being of a very high standard, this drive impresses the habit of cleaning and maintaining ~~cleanliness on the minds of the students, who will no doubt inspire others by their example and lead to~~ a cleaner environment ~~in particular and a more aware society in general.~~

Outreach Programme

The main focus of the programme was on daily labour, community interaction and village awareness programmes. These areas of work were covered by means of activities including planting ~~samplings~~ saplings, constructing bridges, levelling the roads, interacting with villagers and families in groups of three or five, understanding the routine of the villagers and the problems they face, giving the village a cultural night as well as conducting small workshops and awareness sessions on toilets hygiene, government schemes and mid-day meals. A group of 40 students accompanied by the principal, Dr. Daniel Fernandes SJ and Mr. Samuel Gladson visited a Jesuit Outreach Mission in Mundgod in Uttara Kannada district to interact with the community.

Social Visits

As part of the outreach programme each class is encouraged to organize a social visit to places like old age homes, orphanages and other such places. Such class visits open up students' minds to other kinds of experience and enables them to develop empathy to those who are suffering. It also encourages students to contribute generously from their savings and earnings.

The following were the social visits organized in this academic year:

Project Smiles

The Project Smiles initiative is an undertaking of the Leadership Development Cell of

the college. The initiative kicked off on the 1st of December, 2017 and is a fully student-led program, taking place every Friday. The project focuses on providing a learning opportunity to children attending the nearby Government Tamil Medium Primary School in Ashok Nagar. These children are escorted to and from the school grounds to college where they are taught technical skills, art and craft, math, written and spoken English. These efforts strive to make the best use of the infrastructure and facilities of the college to help these children develop important skills in an attempt to help them create better futures for themselves.

Extension Activities Associations

National Service Scheme (NSS)

The National Service Scheme has played a key role in orienting the youth towards community service. NSS volunteers of SJCC have made a significant impact this year in the community around them. The Student President is R. Balasubramani. The major activities of the association for this academic year were as • follows:

- Cycle Day: The NSS volunteered at and participated in the Cycle Day organised by B.PAC on 11th June, 2017. The event sought to raise awareness about the growing risk of health issues caused by vehicular pollution in the city and encouraged the use of cycles by all. Sports Activities

Sports Quota Admission

The activities for the year 2017-18 began early during the months of April/May wherein the foundations were laid for the future sports activities of the year by identifying the vacant positions in each team due to the graduation of final year students. 48 students who represented various sports teams in their final year had graduated from the institution and as a result, the sports quota admission selections were conducted in order to fill up these vacancies.

Selection trials of BBA, B.Com and M.Com were conducted in the months of April and

May 2017. A total of 101 students registered for the sports quota admissions in various disciplines and this year, 44 students were inducted based on their individual sports merits. The selected sports students were given academic percentage concessions while the admission formalities were being done.

College Sports Team Selections

Mr. Supreeth S of III B. Com 'D' was selected as the Sports Coordinator in the Council Elections of 2017-18 unanimously. The beginning of June saw the consolidation of the recruitment efforts by conducting internal trials for the 18 college teams and other individual sporting events. These trials gave an opportunity for all college students, who had been admitted on other merits to participate in the college sports activities. Nearly 450 students had registered for these selections and by the end of June, the 18 various teams as well as the individual sports events were finalized through the meticulous selection process. With that, the sports teams of St. Joseph's College of Commerce were officially inaugurated at the Sports Induction Ceremony held on 12th June 2017. Following which, the various sports teams had commenced their practice sessions.

Sports Induction Ceremony 2017-18

The Sports Induction Ceremony was held on 12th June 2017 in the Loyola Hall. This solemn Ceremony was graced by presence of our Chief Guests, Dr. Ranisandhu, Physical Education Director. Malleswaram Ladies Association First Grade College for Women. Rev. Fr. Prashanth Madtha, SJ, Finance Officer of SJCC, Dr. Daniel Fernandes SJ, Principal and the esteemed staff members. 200 students were given the Pledge of Honor and were inducted into eighteen various teams (Both Men & Women).

The captains of the various sports teams were called forward to take the oath, along with the other sports students, promising to 'participate in the true spirit of sportsmanship' with high levels of commitment and dedication, the sportspersons of SJCC were keen to impress, and anticipate an exciting 'sporting' year ahead.

The College sports teams had performed very well in the academic year 2016-17 winning 42 trophies and 6 medals (Athletics) for the college. The Ceremony was concluded by honoring the national, state and university representatives for their achievements.

Alumni Association

The Old Students' Association or the Alumni Association of St. Joseph's College of Commerce is a well-knit and an active association that conducts several activities throughout the academic year. The Alumni Association is an integral part of the college. The association's activities are aimed at bridging the gap between current and past students.

The OSA started the year with the Annual General Meeting on September 10th, 2017 and the new managing committee took over. The OSA organised a past vs present students basketball match, which saw participation in huge numbers from students of all ages.

The OSA celebrated Teachers' Day in a grand manner at KSCA Club on the 16th of September,

2017.

The OSA Christmas Party, in association with Catholic Club was held on December 22nd, 2017 to spread the Christmas message of joy and hope.

To promote a healthy atmosphere of debate and dialogue in college the OSA had started a debating competition in the previous year. This year the competition was held on 31st of January, 2018 on the topic 'Cryptocurrency'. The winners of the competition received cash prize.

The OSA also organised a talk on the Union budget on 6th February, 2018. The speaker was Mr. K Raghu, Former President of the Institute of Chartered Accountants of India, who is also an alumnus of SJCC. The members of the OSA took an interest in the college activities as well, by participating in the Spiel Run held on February 10th, 2018.

On occasion of the 1973 batch's 45th year of graduation on March 10th, 2018 OSA organised a panel discussion for the final year students titled "Gems from the Seniors" with Mr. Irfan Razack, Mr. KG Raghavan and Mr. FR Singhvi. The discussion helped the students to learn a lot from the experience and collective wisdom of the panellists.

Apart from being actively part of the college activities the Alumni Association also supports deserving students by providing scholarships and instituting awards.

The college welcomes the new president of the Alumni Association Ms. Kavita Mutthappa and thanks the former president Mr. Vinay Mruthyunjaya for his contribution to the college.

Obituary

Ashwita Binoy

18-Nov-1998 to 30-Aug-2018

Ashwita Binoy, a first year BBA student, was a young, extremely talented and confident individual. Her sudden death was a shock to the entire college and we pray that her friends and family find solace and comfort. A prayer service was organized on 30th August 2017 to pay tribute to the departed soul. Her memory will stay with us forever.

Conclusion

The Annual Report of the college is not only a record of our journey of this academic year

but it also captures the dreams and aspirations of the years to come. God has blessed us with His grace so that we may continue this journey of excellence and our Patron St. Joseph is always a source of inspiration for us to work hard.

I would like to place on record my sincere appreciation to all those who have helped me in the administration of the college and to all those who have been a true source of inspiration and support. I would like to thank Rev. Dr. Jerome Stanislaus D'Souza, SJ, President, BJES, for his vision and inspiration. I express my deep sense of gratitude to Rev. Fr. Anthony Joseph, SJ, Vice President, BJES, for his constant guidance, support and encouragement. I thank all the members of the Governing Body of the society and the Principals of BJES Institutions. My sincere thanks to the Chief Guest of this day, Dr. B. K. Ravi, Registrar, Bangalore University. I thank the members of the Alumni Association for their constant support. My heartfelt thanks to the teaching staff and administrative staff for all their hard work towards a smooth and efficient functioning of the college. My special thanks and appreciation to the service staff who keep the campus clean and tidy. Thank you my dear students, the office bearers, the committed student volunteers and the members of the students' council. Congratulations to all the prize winners - your contribution to the Institution will always be cherished and I wish you luck for the future. Farewell to the outgoing batch, may you always treasure special memories of your student life at St. Joseph's College of Commerce.

Thank you and have a pleasant evening.
